

FY2016
CITY *of* LAUREL
OPERATING BUDGET *and*
CAPITAL IMPROVEMENT
PROGRAM FY 2016-2021

ADOPTED

FY2016 OPERATING BUDGET
AND
CAPITAL IMPROVEMENT PROGRAM
DOCUMENT INTRODUCTION

With the adoption on March 25, 2013 of Charter Resolution No. 162, the Mayor will present the combined document of the proposed operating budget and capital improvement program to the City Council by May 1st for review and adoption.

DOCUMENT ORGANIZATION

The combined Budget Document includes the following sections:

Operating Budget:

- Revenue and Expenditure Summaries by Line Item Category and Department Category
- Revenue Details
- Expenditure Summary by Department/Activity
- Expenditure Details by Department/Activity

Capital Improvement Program:

- Existing Facilities
- Area Growth and Development
- Projects by Other Agencies
- Fiscal Profile
- Project Schedules
- Completed Projects

The inclusion of projects in the Capital Improvement Program (CIP) is dependent upon funding sources. City Department Heads and staff explore all grant opportunities, but in large part the CIP is reliant upon the Operating Budget through a transfer of funds or debt service for financing,

The FY2016 Operating Budget will not provide a transfer to the FY2016 CIP. Funding for the FY2016 CIP will be provided through refinancing existing debt, the use of designated reserve accounts, Speed Camera revenue, and PEG funds.

BUDGET ORGANIZATION

The FY2016 Budget Document includes the following sections:

Revenue and Expenditure Summaries by Line Item Category and Department Category
Revenue Details
Expenditure Summary by Department/Activity
Expenditure Details by Department/Activity

Department/Activity expenditure requests include program descriptions, statistical information and staffing levels. FY2015 accomplishments and FY2016 program objectives and goals are described. These goals serve as the planning function within each department.

BUDGET GOALS

The following assumptions guided the preparation of the FY2016 Budget:

- Tax Rate: Real Property tax rates are based on 100% of the full cash value assessment. The Real Property tax rate is \$0.71 per \$100 of the full cash value assessment. The Personal Property tax rate is \$1.69 per \$100 of assessed value. The tax rate for the Special Taxing District is \$0.03 per \$100 of the full cash value assessment.
- The City will work toward maintaining the highest tax differential rate in Prince George’s County. The FY2016 tax differential is \$0.1697.
- Service Level Adjustment: All City services will continue at current service levels.
- Personnel: All FY2015 positions are funded. There are 2 new police officers funded beginning in January 2016.

REVENUE HIGHLIGHTS

The FY2016 Revenue Budget projects revenues of \$28,748,566.

- Real Property Tax - After abatements and exemptions the Assessable Base used for the FY2016 Budget is \$2,544,427,465. This figure is shown at 100% of full cash value. Real Property Tax revenue of \$17,649,609 is projected based on this assessable base at the tax rate of \$0.71 per \$100.00 of assessment less the credit for the Centre at Laurel TIF (Contee Road and Route 1); Laurel Towne Centre TIF; additions and credits for annexed properties that have not been recorded as being within the City limits; Historic District Tax Credits; Redevelopment Tax Credits and a credit on the real property tax for the Laurel Boys and Girls Club. One cent of the real property tax rate generates \$248,586. FY2016 is the second year of the triennial assessment period. Real property tax revenue is 61% of the total revenue budget.

- Personal Property Tax – Revenue is based on \$1.69 per \$100 of assessed value. This value is determined by the State of Maryland based on the personal property tax return filed by the business by April 15th each year. Assessments are received and invoiced throughout the year. There are three categories of personal property tax: Individual, Corporate and Utility. Personal property tax revenue is 5.2% of the total revenue budget. While it is expected that the redevelopment at the Towne Centre will have a positive effect on personal property tax revenue, only those businesses open at that site by December 31, 2014 will file a return for the City of Laurel that will impact FY2016.
- Local Income Tax revenue of \$2,800,000 is projected for FY2016. This is \$50,000 more than the FY2015 budget based on current year-to-date and historical information as well as pending legislation for tax credits and exemptions.
- Based on information provided by Maryland Municipal League from the State of Maryland budget, Highway User Tax is budgeted at \$153,688. During FY2014 and FY2015, the City received one-time distributions of \$336,868 and \$348,023 respectively, in addition to regular bi-monthly payments. The FY2014 total received was \$462,115. This is 58% of the FY2009 actual of \$799,407.

EXPENDITURE HIGHLIGHTS

The FY2016 Expenditure Budget projects expenditures of \$28,748,566.

- Compensation - Compensation - The FY2016 Budget provides merit increases to be awarded on an employee's anniversary date upon receipt of a satisfactory evaluation. Additionally, there is funding to provide a Market Adjustment as of July 1, 2015 as well as an adjustment to the minimum wage.
- Pension Payment - An employer pension payment of \$2,002,030 for FY2016 is funded which includes \$20,000 more than the employer recommended contribution from the FY2014 actuarial valuation. Additionally, there is \$20,000 funding for possible actuarial studies.
- Employee insurance of \$2,851,200 has been budgeted which is 13.68% higher than the FY2014 budget. The use of an insurance broker to negotiate renewals has helped to somewhat offset a couple of years of difficult health insurance claims. A diligent Risk Management Committee has continued to manage workers compensation premiums.

- Debt Service – Debt service for FY2016 includes principal and interest payments on the 2007 bond issue through the Local Government Infrastructure Financing Program; the 2012 bond issue through the Local Government Infrastructure Financing Program; PNC Loan for the purchase of 811 Fifth Street; PNC Loan for the purchase of 7703 and 7705 Sandy Spring Road; and payments made on behalf of the Laurel Volunteer Fire Department (LVFD) and the Laurel Volunteer Rescue Squad(LVRS). FY2016 principal and interest payments total \$1,681,505. The debt service for the LVFD and LVRS loans is recaptured through a deduction from the City’s monthly contribution to each organization. In December of 2015, the PNC loans for 811 Fifth Street and 703/7705 Sandy Spring Road will need to be renewed. At that time, principal will be added and the term extended in a manner that will yield the same debt service payments. The additional principal will be used to fund certain projects in the CIP.
- Operating Transfer – The FY2016 Operating Budget will not provide a transfer to the FY2016 CIP. Funding for the FY2016 CIP will be provided through refinancing existing debt, the use of designated reserve accounts, Speed Camera revenue, and PEG funds.

RESERVES

The Unassigned Fund balance at June 30, 2014 was \$9,654,687. In December 2014, the adoption of Ordinance No. 1825 authorized the use of \$450,000 to fund the roof replacement project at the Laurel Municipal Center. Generally Accepted Accounting Principles recommend an Unassigned Fund Balance of three months of expenditures. There is a Charter requirement to maintain a balance of 10% of the General Operating Budget. The City is able to meet both.

FY2016	ADOPTED OPERATING BUDGET GENERAL GOVERNMENT
--------	---

The General Government function includes the Mayor's Office, the City Council Office, Office of the Clerk to the Council, the City Administrator's Office, Department of Budget and Personnel Services, Department of Information Technology, Department of Community Planning and Business Services. Primary responsibilities include administration; management and policy development; financial management and fiscal audits; personnel management; planning; data processing systems; purchasing and inventory; grants assistance; administration of zoning regulations; permits and code enforcement; and the activities of the City's various boards and commissions.

GENERAL GOVERNMENT EXPENDITURES
TOTAL -- \$5,113,243

DEPARTMENT: *OFFICE OF THE MAYOR – 210*

DEPARTMENT HEAD: Craig A. Moe, Mayor

FISCAL YEAR: July 1, 2015 - June 30, 2016

PURPOSE: The Mayor is the Chief Executive of the City, "...with all the powers necessary to secure the enforcement of all ordinances and resolutions passed by the City Council." (City of Laurel Charter, Sec. 353)

RESPONSIBILITIES: As the leading elected official of the City, the Mayor is empowered to approve or veto legislation, provide an annual budget for all City services, and have direct supervision of government administration for all citizens and businesses of the City.

PROGRAMS: This budget provides for the activities and expenses of the Mayor's Office, and support services for the Mayor's ad hoc committees. The Mayor's Summer Jobs Program is continued for FY2016.

STAFF:
Mayor
City Solicitor
Executive Assistant
Administrative Assistant I

FY2016: Major expenses in this budget are Salaries, Outside Services, and Dues and Subscriptions. Included in the Mayor's salary account is an adjustment to the salaries of appointed officials, to be allocated in accordance with Charter provisions.

COMMITTEE ASSIGNMENTS: The Mayor and staff attend official meetings of the Mayor and City Council of Laurel and the City's boards, commissions and committees. Staff provides administrative support to the Mayor and, in addition to attendance at meetings of the Mayor and City Council, serves on or provides representation to State or County task forces, advisory committees, and other organizations, where City participation has been requested. The Executive Assistant also represents the Mayor during the annual Maryland General Assembly Session in Annapolis and at meetings of the Prince George's County Council as necessary.

DEPARTMENT: *OFFICE OF THE CITY COUNCIL - 201*

DEPARTMENT HEAD: H. Edward Ricks, Council President

FISCAL YEAR: July 1, 2015 - June 30, 2016

PURPOSE: The government of the City of Laurel is vested in the Mayor and City Council.

RESPONSIBILITIES: The City Council is the legislative body of the City and as elected representatives of the citizens, considers and enacts resolutions, regulations, and ordinances for the protection of rights and privileges, peace and good government, and safety and health of all citizens.

In addition to their legislative duties, members of the City Council serve as members of the City's official bodies: Planning Commission, Historic District Commission, Public Safety & Transportation Advisory Committee, City of Laurel Tree Board, Parks and Recreation Citizens Advisory Committee and the Environmental Affairs Committee.

The City Council also participates in the National League of Cities, the Maryland Municipal League, the Prince George's County Municipal Association, the Laurel Board of Trade and the Baltimore-Washington Corridor Chamber of Commerce and is actively involved in community promotions.

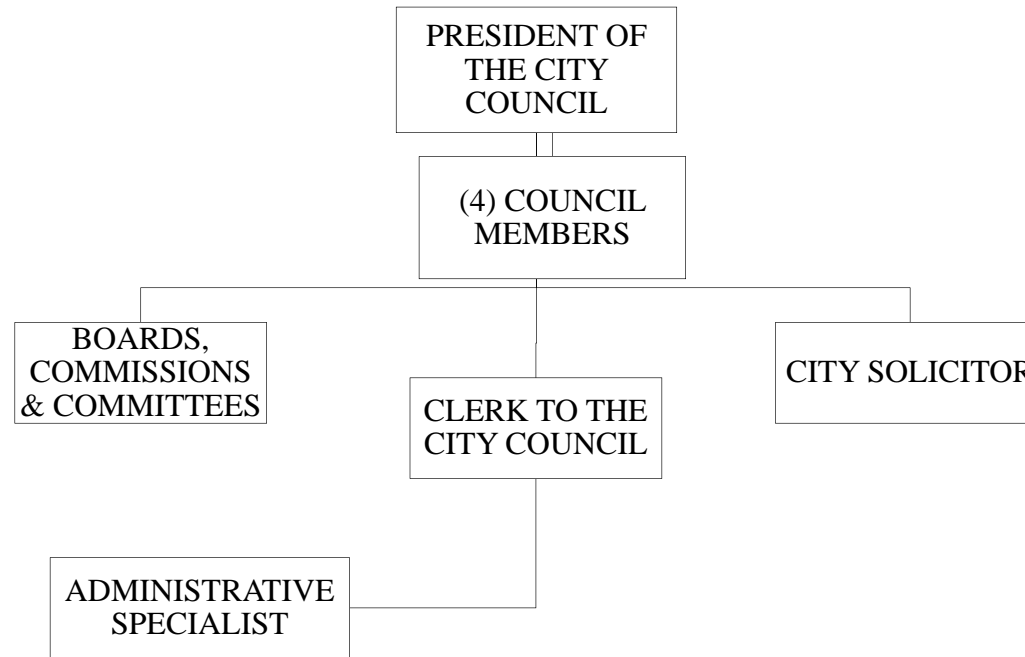

STAFF: The City Council has five elected members. The Office of the Clerk provides staff support to the City Council.

FY2016: This budget provides for the activities and expenses of the City Council's Office. The major expenses in this budget are in Salaries, Dues and Subscriptions, and Outside Services.

DEPARTMENT: *OFFICE OF THE CLERK TO THE CITY COUNCIL - 205*

DEPARTMENT HEAD: Kimberley A. Rau, MMC

FISCAL YEAR: July 1, 2015 - June 30, 2016

PURPOSE: The Clerk to the City Council provides assistance to the Council, and maintains and preserves all required documents in accordance with State, County and City Codes.

RESPONSIBILITIES: The Clerk to the City Council is responsible for a full and accurate account of all meetings of the Mayor and City Council, various committees and board meetings. The Clerk's Office will provide research and administrative support to the City Council when requested or assigned by the President of the City Council. The Clerk works closely with the City Solicitor, and is responsible for the timely presentation of enacted legislation and for obtaining the necessary signatures when enacted. The Clerk will issue certified copies as needed, and shall oversee the codification process. All meetings are scheduled in accordance with legal timetables. The Clerk shall assign all work to the Administrative Assistant, who shall answer directly to the Clerk to the City Council.

The Clerk is responsible for the City of Laurel elections, regular and special, and works closely with the Office of the Prince George's County Board of Election Supervisors as well as the City's Board of Election Supervisors. The Clerk also represents the Council and the City during the annual Maryland General Assembly Session in Annapolis and at meetings of the Prince George's County Council as necessary.

STAFF: Clerk to the City Council
Administrative Assistant

FY2016: This budget provides for the activities and expenses of the City Clerk's Office. Major expenses are in compensation.

COMMITTEE ASSIGNMENTS: As representatives of the City Council, the Clerk and staff are associated with, or serve on, the following organizations:

Mayor and City Council of Laurel
Maryland Municipal League Legislative Committee
Maryland Municipal Clerks Association
International Institute of Municipal Clerks

Clerk to the Council(cont'd):

International Institute of Municipal Clerks
Maryland Municipal Clerks Association
Legislative Liaison
Board of Election Supervisors

DEPARTMENT: *BUDGET AND PERSONNEL SERVICES - 225*

DEPARTMENT HEAD: S. Michele Saylor, Director

FISCAL YEAR: July 1, 2015 - June 30, 2016

PURPOSE: The Department of Budget and Personnel Services administers all of the financial activities of the City government, administers all employee benefits and advises and assists the City management staff in all other personnel matters.

RESPONSIBILITIES: Daily responsibilities of the Department of Budget and Personnel Services include the billing, collection, disbursement and investment of all public funds, preparation and administration of the budget, maintenance and reconciliation of the general ledger and City bank accounts, financial reporting, maintenance of parking ticket database, inventory maintenance, licensing and tax research. The Department also manages and administers employee compensation, employee benefits, retirement and retiree benefits, Workers' Compensation, leave balances, unemployment claims, performance evaluations, employee recognition, promotions, disciplinary actions, exit processing, and maintenance of all related records.

Personal property tax levies represent approximately one-third of the volume of real estate accounts and occur periodically throughout the year. Other major functions occurring annually include the certified audit, development and preparation of a fiscal profile for the Capital Improvement Program, revenue budget projections, reconciliation of fixed assets inventories, compiling data for the annual Valuation of the City's retirement plans, calendar year-end reconciliation of payroll and pension for generation of W-2's and 1099-R's and required Federal and State filings; and fiscal year-end encumbrance and accrual preparation.

PROGRAMS: Major areas that this Office is responsible for, or involved in, are:

- | | | |
|-------------------------------------|---------------------------------------|-------------------------------------|
| - Annual Operating Budget | - City's Expenditures | - Employee Drug and Alcohol Testing |
| - Annual Certified Audit | - City's Revenues | - OSHA reporting |
| - Capital Improvement Program | - City's Asset Records | - Financial Administration for: |
| - Retiree Pension Benefits | - City's Inventory Records | ♦ Fourth of July Committee |
| - Employee Payroll | - License and Miscellaneous Billings | ♦ Laurel Citizens Police Academy |
| - Tax Collection and Reconciliation | - Comprehensive Collections | Alumni |
| - Contract and Agreement Files | - Employees Health & Dental Insurance | ♦ Community Redevelopment |
| - Employee Life and AD&D Insurance | - Short Term Disability Insurance | Authority |
| - Long Term Disability Insurance | - Retirement Plan Administration | |
| - Employee Assistance Program | - Deferred Compensation Plans | |
| - Unemployment Tax Service | - Pre-employment Medical Examinations | |
| - Criminal Background checks | - Employee Records Management | |

STAFF:

- Director
- Deputy Director/Human Resource Officer
- Payroll Specialist
- Human Resource Specialist III
- Fiscal Specialist II (2)
- Fiscal Clerk
- Auxiliary Clerk

FY2016: During FY2016 the Department of Budget and Personnel Services will be involved in the annual audit for FY2015; continuing comprehensive collection efforts, administer requirements of the Affordable Care Act; periodic training of department budget staff on the use of financial software; and continuing review of Human Resource policies. Additionally, the department continues to digitize transaction data and documentation as well as take advantage of electronic access for payroll and accounts payable.

COMMITTEE ASSIGNMENTS:

- Mayor and City Council
- Capital Improvement Program Committee
- Board of Trustees of the City of Laurel Retirement Plans
- Risk Management Committee
- Accident Review Board

DEPARTMENT: *COMMUNICATIONS - 235*

DEPARTMENT HEAD: Audrey Barnes, Director

FISCAL YEAR: July 1, 2015 - June 30, 2016

PURPOSE: The primary function of the Department of Communications is to provide useful information to residents, businesses, and employees within the City limits of Laurel, and the greater Laurel area. The Communications Director develops, prepares, and coordinates the release of official news advisories and disseminates news on the City's public access television station, known as Laurel TV, its companion website LaurelTV.org, the City's website—cityoflaurel.org, the mobile MyLaurel app, and through a vigorous outreach on social media sites. The Department works closely with other Departments in the City to spread news about the Mayor's Government to the People program and other activities that allow people to live, work, and enjoy the City of Laurel.

RESPONSIBILITIES: The responsibilities of the Department of Communications are to increase resident, business, and employee understanding of government programs, projects and services. The Department has an obligation to make sure that residents have quick and consistent access to information during emergencies through use of the Emergency Notification system, Laurel TV, the MyLaurel App, and social media sites such as Twitter and Facebook. The Department also has a responsibility to allow the community to share stories about their neighborhoods, schools, and places of employment. The City's Volunteer program falls within the Department of Communications which coordinates opportunities for residents to get involved with programs and organizations in the City and surrounding area.

STAFF:

- Communications Director
- Public Information and Social Media Specialist
- Media Coordinator
- Part-time Administrative Assistant
- Production Assistant (auxiliary)
- Program Coordinator (auxiliary)
- Passport Agent (full time)
- Passport Agent (auxiliary)

ACCOMPLISHMENTS FY 2015: The Department's most important accomplishment was the re-branding of the City's public access television station now known as Laurel TV, and establishing it as the place to turn to for local news, governmental programming, educational shows, and entertainment. A successful launch party in August of 2014 helped establish a new database of volunteers anxious to get involved with Laurel TV as reporters, photographers, editors, and hosts. A Media Coordinator was hired to secure new 24/7 programming for the station. Laurel TV now has a steady stream of monthly content coming in from award winning journalists, documentary producers, and filmmakers. The Department has also hosted training sessions for residents in TV photography and reporting, and held media training mini-camps for High School students. Another huge 2014 accomplishment has been quadrupling the City's Social Media outreach—epitomized by one post with a record-setting 250,000 views. The Director coordinated international coverage of the Laurel Police Department's use of body cameras, resulting in more than 40 interviews with journalists around the world, including a German magazine with six million subscribers. Laurel TV has also earned its first Telly Award for a series of promos written and produced by the Director, and featuring Laurel residents and City leaders. This award is one of the most highly coveted in the television and film industry, attracting 13,000 entries from all 50 states and 5 continents this year.

FY2016 Goals: The goals of the Department of Communications for FY2016 are to continue to increase resident and employee understanding, awareness of, and participation in City government programs, projects and services; to continue to work with local schools/universities to increase interns and volunteers used for Laurel TV, and to bring increased programming to the residents. The Department will also be ramping up its social media reach with the establishment of a new position dedicated to that effort. Laurel TV also has its sights set on getting all the infrastructure in place to be HD-ready on all fronts.

DEPARTMENT: *COMMUNITY PLANNING AND BUSINESS SERVICES - 240*

DEPARTMENT HEAD: Jack T. Brock, Director

FISCAL YEAR: July 1, 2015 - June 30, 2016

PURPOSE: The Department of Community Planning and Business Services consists of two program areas – zoning, planning, and permits and code enforcement. Professional planners and permitting staff provide services to the public, the Mayor and City Council, the Planning Commission, the Board of Appeals, the Historic District Commission, The Community Redevelopment Authority and certain other committees. The City of Laurel is the only jurisdiction in Prince George’s County that has planning and zoning authority and was the first municipality to have its own building permit and inspections programs.

RESPONSIBILITIES: (1) Administration of the Unified Land Development Code, including written and oral explanations and interpretations; (2) Review of fire and life safety, building, use, fence and sign applications; (3) Preparation of staff recommendations on zoning map and text amendments, variances, revitalization overlay and special exceptions, site and landscape plans, subdivision plans, and annexation analysis; (4) Review of County, State, and Federal legislation pertaining to planning and zoning; (5) Inter-governmental comments and review of projects of the Maryland-National Capital Park and Planning Commission (M-NCPPC), the Washington Suburban Sanitary Commission, the Washington Metropolitan Area Transportation Authority, the Maryland Department of State Planning, the National Capital Planning Commission and the Maryland State Highway Administration, as well as the U.S. Census Bureau; (6) Review and coordination with Prince George's County M-NCPPC regarding land use, zoning applications and the Sub-Region I Master Plan; (7) Coordination with adjoining jurisdictions regarding transportation issues including coordination for existing and proposed bus and rail systems in the Laurel area; (8) Participation in Fort Meade Regional BRAC Growth Management Advisory Committee; (9) BRAC Local Government Committee and Transportation Sub-Committee (10) Participation in the Maryland State Fire Marshal’s Sub-Committee; (11) Issuance of the following permits: building (new construction and renovation) for residential and commercial, use and occupancy, fence, deck, sign, electrical and yard sale; (12) Code enforcement regarding property standards; (13) Issuance of the following licenses: Business, Rental, Burglar Alarm and Prince George’s County Animal Licenses; (14) Participation in the Public Affairs Group of the Baltimore-Washington Corridor Chamber of Commerce; (15) Maryland Sustainable Growth Commission (16) Fort Meade Community Covenant Council; (17) Administer the City of Laurel Arts and Entertainment Program within the Arts and Entertainment District which includes exemptions for Admissions and Amusement Taxes and Real Property Tax Credits.

PERFORMANCE DATA: Since January 2014, planning and zoning has reviewed over 2,045 building permits, use and occupancy and other permits. In addition to various standard-zoning reviews, the department prepared a planning commission annual report and reports on over 22 zoning applications. Reviews and reports were completed on 2 map amendment applications, 1 special exception application, 8 site plan and landscape plans, 1 forest conservation plan, 1 record plat amendment, 1 plat of subdivision application, 1 revitalization overlay application, 5 text amendment applications, 1 sign modification, and 1 parking modification application. The Department also responded to over 151 requests for demographics, zoning regulations and information on recent or pending developments. During this period, approximately 60 Certificates of Approval were reviewed and presented to the Historic

District Commission for action and 4 tax credit applications were processed. Four Main Street Business Relocation Grant, 1 Main Street Sign Grant, and 1 Commercial Property Improvement Grant applications were processed.

The following information describes the permits issued and other actions taken by the permits and code enforcement program.

PROGRAMS: In addition to its normal responsibilities, the planning and zoning program participates in several on-going efforts. These include: (1) the annual Capital Improvement Program; (2) the development of new procedures for site plan and forest conservation plan review; (3) the review and updating of forms for zoning applications; (4) the updating of the official City of Laurel Zoning Map; (5) the preparation of an updated population estimate; (6) impact analysis for annexation proposals, including zoning recommendations; (7) review and development of amendments for the revision and continued codification of the Unified Land Development Code.

STAFF: The staff of the department includes:

- Director
- Deputy Director
- Chief Building Official/Fire Marshal
- Senior Planner
- Planner
- Office Manager
- Permits Coordinator
- Administrative Assistant II (Historic District Coordinator)
- Code Enforcement Specialist (2)
- Housing Inspector
- Building Inspector II
- Building Inspector I
- Electrical Inspector

FY2016: The planning, zoning, and programs will emphasize revitalization and renovation projects, such as Andersons Corner, Towne Centre at Laurel, Westside and the Laurel MARC Station Transit Oriented Development. The Fire Marshal's Office and responsibilities along with funds for this service are

within this Department. The code enforcement members of the Department are concentrating on property standards, in addition to coordinating with the City Fire Marshal, which increases the one-stop mission and services offered by the department.

COMMITTEE AND BOARD ASSIGNMENTS:

- (1) Mayor and City Council of Laurel
- (2) City of Laurel Planning Commission
- (3) City of Laurel Board of Appeals
- (4) City of Laurel Historic District Commission
- (5) City of Laurel Capital Improvement Program
- (6) Maryland-National Capital Park and Planning Commission (M-NCPPC)
- (7) Patuxent River Commission (PRC)
- (8) Patuxent River Watershed Advisory Committee

DEPARTMENT: **OFFICE OF INFORMATION TECHNOLOGY - 250**

DEPARTMENT HEAD: Kevin P. Frost, Director

FISCAL YEAR: July 1, 2015 - June 30, 2016

PURPOSE: This activity area provides for operating costs associated with the City's computer network, telecommunications, radio communications, Geographic Information System (GIS) and related information systems.

TECHNOLOGY RESPONSIBILITIES: Evaluation and installation of all hardware and software systems; investigation and planning of future hardware and software applications; daily operation and maintenance of the network and computer systems; management of consultant and hardware and software maintenance contracts; coordination of computer training; management of city-wide telecommunications systems including land lines, wireless, pagers and the city-wide public safety and business radio systems. Development and operation of the City's website, intranet, and our social media connections. Management of the City's Geographic Information System which includes all our municipal layers, police dispatch mapping, along with the creation of printed maps.

STAFF:

- Director
- Deputy Director
- Systems Engineer
- GIS Analyst
- Systems Analyst
- Webmaster
- Application Specialist
- Help Desk Coordinator
- Administrative Assistant II

ACCOMPLISHMENTS FY 2015:

Expanded City's wireless network and turned on wifi guest access in all our public facilities, including both pools

Developed online GIS applications for our public safety use. Conducted successful drill utilizing application to conduct real damage assessments and photo documentation.

Upgraded the voice mail system to include mobile device integration

Installed (2) security cameras at Sweitzer park

Installed a security camera at the Dog park

Installed a security camera and swipe card for the gate at the new Skate park

Upgraded security cameras at the Municipal Center

Supported Municipal Center renovation technology installs

Transitioned Municipal Center security system to self-monitoring.

Supported (3) GIS interns during the year

Supported (3) network interns during the year

Provided Public Works and City Planners with GIS and map support

Provided technology support for the Mayor's summer jobs program

Upgraded city radio system to new FCC approved licensing scheme

Participated in Comcast cable franchise negotiations

Transitioned city mobile devices off Blackberry management

Installed mobile device management system for all City mobile devices

FY 2016 Goals:

Evaluate, test, and transition to Microsoft Windows 10 operating system

Continue transitioning to City-wide facility security system

Expand City fiber network to support Parks security and network redundancy

COMMITTEE ASSIGNMENTS:

Mayor and City Council

Emergency Services Commission

FY2016	ADOPTED OPERATING BUDGET
	PUBLIC SAFETY

The Laurel Police Department, the Laurel Volunteer Fire Department and the Laurel Volunteer Rescue Squad are the primary public safety agencies serving the citizens of Laurel. The protection of lives and property through the delivery of law enforcement, fire, rescue and ambulance services are the fundamental functions of these public safety agencies. The total City Public Safety budget is \$9,078,713.

The Laurel Police Department is a full-service law enforcement agency providing law enforcement services to the citizens of Laurel twenty-four hours a day, seven days a week. The primary services include dispatching, police patrol of business and residential communities, response to emergency and non-emergency calls for police service and the investigation of all types of crimes.

During FY2016 the Police Department will focus renewed efforts on street crimes, reviving two street crimes units to address this type of criminal activity, continue to place significant emphasis on the philosophy of community-oriented policing and interaction with the citizens of Laurel. Enhanced community policing training and outreach will be directed at institutionalizing our community policing efforts and placing a strong emphasis on solving problems in order to reduce crime.

Even though The Police Department opted out of its membership with CALEA, we continue to maintain our professional status by remaining compliant with the national law enforcement standards, which governs police operation and management.

The Police Department will be managed through planned, well-defined strategies, capitalizing on opportunities to ensure the best use of resources in meeting public needs.

Police programs designed to improve the quality of life will continue to be sponsored by the Laurel Police Department. These programs include D.A.R.E., Neighborhood Watch, CrimeLine, Cops Camp, Law Enforcement Explorers and numerous educational programs focusing on crime prevention, safety, drug abuse and residential and business security.

The FY2016 again includes a budget for Emergency Services Management to provide a consolidation of all emergency-related expenditures for grant application purposes. The City's financial contribution to the Laurel Volunteer Fire Department and the Laurel Volunteer Rescue Squad will continue in FY2015 with a total combined contribution of \$269,600 that will be distributed from the Emergency Services Management budget. The City has provided the LVFD and LVRS opportunities to benefit from purchasing through the City for computers, engineering services, as well as supplies and equipment available for use in the City's Emergency Operations Center.

DEPARTMENT: *LAUREL POLICE DEPARTMENT – 301*

DEPARTMENT HEAD: Richard P. McLaughlin, Chief of Police

FISCAL YEAR: July 1, 2015- June 30, 2016

PURPOSE: The purpose of the Police Department is to contribute to a high quality of life by maintaining a peaceful and safe community to all the residents, visitors and business- persons of Laurel.

MISSION: Working in partnership with the entire community, the Police Department is committed to providing the highest quality of police service to the citizens of Laurel by preventing crime, enforcing the law, and meeting the public safety needs of the Laurel community. The Department promotes community safety by seeking solutions to any problem that creates fear or threatens the quality of life in the City of Laurel. Members of the Laurel Police Department are committed to the following organizational values, which guide their conduct and help accomplish our Mission Statement:

Integrity: We believe integrity is the foundation for community support and trust. We will hold ourselves accountable to the highest standards of professionalism and ethics.

Partnership: A partnership with the community is essential in the prevention of crime and the identification and resolution of problems which impact public safety.

Teamwork: We believe in, foster and support teamwork to solve crimes and resolve community problems.

Impartiality: We will treat everyone with respect and dignity in an unbiased manner. We will protect constitutional rights through impartial enforcement of the law.

Service: We are committed to providing quality police services, responsive to the needs of the community. We will provide dedicated and compassionate assistance by promoting personal and professional excellence, cooperation and leadership.

Courtesy: We will be friendly and courteous, yet appropriately firm in all citizen contacts including those contacts such as serving warrants and issuing traffic tickets during traffic stops.

Responsiveness: We will promptly respond to all calls for police service and promptly attempt to resolve all problems, complaints and concerns expressed by citizens.

CORE BELIEFS

- **Close To The People**
- **Integrity Has No Price**
- **Respect Every Person**
- **Police Employees Are Model Citizens**
- **Patrol Work Matters Most**
- **Prevention Is Better Than A Cure**
- **If It Might Work, Try It**
- **Behind Every Incident Lies A Problem**
- **Learning Has No End**
- **The Constitution Always Comes First**

RESPONSIBILITIES: As the primary law enforcement agency in the City of Laurel, the fundamental responsibilities of the Laurel Police Department are to protect the lives and property of the citizens of Laurel, to reduce the opportunity for individuals to commit criminal acts, and to efficiently and effectively investigate and apprehend persons suspected of criminal acts.

The Laurel Police Department will work in partnership with all Federal, State and regional law enforcement agencies in meeting new public safety challenges during the War on Terrorism in maintaining public safety, tranquility and freedom in our community. We will continue to maintain our Neighborhood Watch Program, along with other community/citizen programs and activities to assist in protecting and keeping communities safe.

STAFF: The Police Department’s current authorized strength is 70 sworn officers and 20 non-sworn personnel.

TOTAL SWORN	70	TOTAL CIVILIAN	20

PERFORMANCE: The Laurel Police Department is a full-service law enforcement agency providing law enforcement services to the citizens of Laurel 24 hours a day, 7 days a week.

The Laurel Police Department is divided into three major organizational components: Office of the Chief of Police; Bureau of Operations; and Bureau of Administration.

The Chief of Police is the commanding officer of the Police Department, appointed by the Mayor and confirmed by the City Council. The Chief is responsible for overall planning, budgeting, directing, organizing, coordinating, training and staffing all activities of the Police Department. The Chief of Police also coordinates relationships with the citizens, media and other local, State and Federal agencies.

The Office of the Chief of Police includes an Office Manager. The Office of the Chief ensures efficient use of all Departmental resources and manages/coordinates the budget function, special projects, planning and development, all automated enforcement programs, conformity of law enforcement standards and works with a variety of agencies involved in emergency management and Homeland Security.

The Deputy Chief of Police supports and promotes the leadership of the Police Chief. This executive level position provides leadership, vision and direction to the Department and its command staff. The Deputy Chief promotes collaboration and communication between agencies, the business community and the citizens of the City of Laurel.

The Bureau Commander is an executive level position that reports to the Deputy Chief of Police and is responsible to the Deputy Chief for the operations of the Bureau of Operations and the Bureau of Administration.

The Bureau of Operations is the largest bureau in the Police Department and is broken down into two divisions under the command of a Major. The Major is responsible for Internal Investigations, inspectional services and special projects.

The Patrol Division is responsible for the efficient and effective functioning of the patrol operation throughout the City. Patrol Division consists of five patrol squads and five K-9 units, Community Outreach Services, which includes a DARE Officer. A Sergeant supervises each patrol squad.

- For general patrol purposes, the City is divided into six geographic patrol beats. In addition to performing vehicular patrol, officers are also deployed on foot, bicycles, motorcycles and segways in selected parts of the patrol beats.
- In 2014, the Laurel Police Department responded to 63,804 calls for service. Police initiated service calls totaled 50,728; citizen requested service calls totaled 13,065.

The Special Operations Division is divided into two units, the *Criminal Investigations Unit*, and the *Special Crimes Unit*.

- The *Criminal Investigations Unit* is trained and responsible for investigating all violent crimes including murder, rape, kidnapping, robbery and sexual and aggravated assault, as well as investigating property crimes of burglary, grand larceny and auto theft.
- The *Special Crimes Unit* is primarily trained and responsible for conducting investigations to disrupt illicit drug trade and collect drug intelligence information.

The Bureau of Administration encompasses Communications, Property, Records, Parking Enforcement/Animal Control, Volunteer Enforcement Program, Grants and Training. Specific functions of the division include crime analysis, property management, uniform crime reporting, records management, parking enforcement, animal control, police communications and coordination of all management information in collaboration with the City's Department of Information Technology.

- The *Communications Section* is responsible for receiving all calls for police service and dispatching police officers to these calls for police service. Additionally, the section handles all requests for criminal history information for police officers, teletypes and the data entry for the Criminal Justice Information System (CJIS). The Communication Specialists also manage the hearing-impaired teletype and greet all visitors to the Police Department and are the initial contacts for all police inquiries or services.
- The *Records Section* is primarily responsible for the secured maintenance and custody of all police records, including police reports and criminal, traffic and parking citations. The section is also responsible for the dissemination of police reports and records to other criminal justice agencies and other agencies or individuals authorized to access police records.
- The *Parking Enforcement/Animal Control Section* is responsible for selective parking enforcement and animal control activities throughout the City of Laurel. When voluntary compliance with parking regulations and animal control ordinances is not achieved, parking enforcement/animal control officers issue warnings or citations to violators. The officers also keep the streets of Laurel clear of abandoned vehicles, assist citizens who have been locked out of their vehicles, capture domestic animals running at large, as well as injured or wild animals posing a threat to the public.
- The *Property Section* is responsible for the control of all found, recovered and evidentiary property coming into the custody of the Laurel Police Department.
- The *Community Policing / Traffic Unit* is responsible for controlling special community events, neighborhood watch programs, as well as addressing traffic complaints.

SPECIALIZED FUNCTIONS: In addition to performing general police patrol in vehicles, on police bicycles and on foot, selected supervisors and officers of the Laurel Police Department have been trained to handle barricade and hostage situations as members of an *Emergency Response Team (ERT)*. This team also serves arrest warrants and search and seizure warrants involving high risks or armed and dangerous suspects.

Several officers are trained as *hostage negotiators* to help resolve barricade or hostage situations.

Other officers are trained as *telephone technicians* to utilize special phones to intercept and control phone calls at the scene of hostage/barricade or other high-risk scenes.

Five *K-9 teams* are trained to conduct building searches, searches for evidence in serious criminal cases and to locate critical missing persons, as well as locate drugs that may be concealed.

Officers are trained in *accident reconstruction*. These experts have been able to reconstruct several serious or fatal motor vehicle accidents.

Evidence Technicians specialize in the collection of evidence from crime scenes and its processing.

Community outreach specialists have been trained to conduct residential and commercial security surveys and offer recommendations for improving home and business security.

PROGRAMS:

DRUG ABUSE RESISTANCE EDUCATION PROGRAM (D.A.R.E.)

The Laurel Police Department assigns a uniformed police officer to teach students in the Laurel elementary schools on how to resist pressure to use drugs and alcohol. Enhanced decision making skills, peer pressure resistance, building self-esteem and proper attitude development are highlights of the fifteen (15) lesson D.A.R.E. program. Each year hundreds of students successfully complete and graduate from the D.A.R.E. program taught by Laurel police officers.

POLICE BICYCLE PATROL

The Department currently has sixteen officers trained for police bicycle patrol. In addition to normal police patrol activities, these officers are assigned to patrol areas not accessible by vehicles. Bicycle patrol is used extensively during community festivals and parades. Officers on bicycles are also effective in preventing and enforcing open-air drug violations. The police bicycle patrol is an integral part of the Laurel Police Department's community policing efforts and enhances the ability of officers to frequently interact with citizens.

POLICE RIDE-A-LONG PROGRAM

The Laurel Police Department Ride-A-Long Program provides opportunities for citizens and high school students to ride with a Laurel police officer during his or her tour of duty. The program fosters a better working relationship between citizens and police and a better understanding of a police officer's role.

NEIGHBORHOOD WATCH PROGRAM

Participation in a Neighborhood Watch Program is one of the best ways residents of Laurel can help keep their neighborhood a safe place to live. Reducing the opportunities for criminals to commit crimes and reporting suspicious activities to the police are the main elements of an effective Neighborhood Watch Program.

The Laurel Police Department realizes the importance of a strong link between the Department and the community through the Laurel Police Department's Neighborhood Watch Program. In order to strengthen this link, the Department has instituted the following plans:

- Initial meetings with Laurel Police Department and block captains concerning crime prevention strategies, with more regular meetings to follow.
- Develop computer software for police to inform block captains of burglaries or other property crimes occurring in their neighborhoods.
- Provide crime data to all block captains in the future.
- Develop and strengthen programs to counteract youth problems, such as: gang awareness training.

EDUCATIONAL PROGRAMS

The Laurel Police Department presents many educational programs focusing on crime prevention, bicycle safety, drug abuse, child safety and residential and business security.

COMMUNITY - ORIENTED POLICING

Community oriented policing has been a #1 operational priority of the Laurel Police Department for the past several years. It requires police to recognize differences in each community, provides customized services and necessitates the forming of partnerships and collaborating with other agencies and citizens in problem solving. The development of proactive tactics, aimed at crime prevention and crime reduction, remains our Department's primary goal. Our goal is to enhance our Officer training to include total Department participation.

VOLUNTEER AUXILIARY PROGRAM

The Laurel Police Department has established a Volunteer Auxiliary Program as a part of its effort to effectively be responsive to the needs of citizens within the community. This program is designed to supplement the efforts of Department employees, not to replace them. All personnel of the Department actively support the efforts and objectives of this program.

The Volunteer Auxiliary Program consists of volunteers designated as “Special Patrolman” by the City Administrator and Chief of Police. Duties of Team members are to issue parking tickets to persons who violate City ordinances pertaining to parking privileges for the handicapped and other parking violations.

The goal of the Volunteer Auxiliary Program is not primarily to punish offenders but to foster public awareness of and obedience to the ordinances, which govern parking privileges. The program is an important part of public relations, as well as an enforcement function.

COP’s CAMP

The Laurel Police Department created COP’s Camp, which is held annually and consists of five days of classroom instruction and interaction with members of the Laurel Police Department. Additional time requirements involve special field trips so students can have the opportunity to see “first hand,” “government in action.” In addition, students spend a limited amount of time observing various organizational units of the police agency.

The goal of the COP’s Camp is to create a forum, where the youth residing in the City of Laurel can become involved in learning about police service. COP’s Camp is used as a tool to promote community policing and further educate our youth about the various aspects of law enforcement and good citizenship. While serving as an educational tool, the camp gives children an insight into law enforcement as a career choice.

In December 2013, the first Winter Cop’s Camp was held during “winter break” between the Christmas and New Year’s Holiday for less fortunate children. It was received with such a great response, that the department will be continuing this program.

POLICE EXPLORER PROGRAM

The Police Explorer Program is designed for youth between the ages of 14-20. The intent is to educate and involve youth in police operations, to interest them in possible law enforcement careers, and to build mutual understanding. The educational aspect provides knowledge of the law enforcement function whether the participant enters policing or not. Through member involvement, the Explorer Program will establish an awareness of the complexities of police service and create a better understanding between the Police Department and the youth of our city.

DOMESTIC VIOLENCE PROGRAM

In an effort to reduce Domestic Violence in the city, the Laurel Police Department has recently implemented a program that provides the best services available to victims / survivors of domestic violence. Working in partnership with a number of domestic violence organizations we can assist victims by providing education, legal services and counseling all within one location.

SEGWAY PATROL

The Laurel Police Department was able to obtain five segways through the Department of Justice Grant funding. Several officers have been trained on their usage and will utilize the five segways during special events and on routine patrol.

CITIZENS POLICE ACADEMY

The Citizen Police Academy is a twelve-week training course, which instructs on subjects such as Officer Safety, Criminal Law, CPR, Community Oriented Policing, Judgmental Shooting and more. Each class is comprised of members of the Laurel community including members of community churches, community groups, business organizations and residences.

Since the program's inception, eleven citizen academy sessions have been completed, totaling 158 Laurel citizens successfully finishing the course work. The graduates have formed a Citizen Police Academy Alumni Association.

MOTORCYCLE UNIT

The Police Department created and developed a motorcycle unit in the summer of 2007. The purpose of the motorcycle unit is to supplement and expand traffic enforcement capabilities within the Police Department. The motorcycle unit may also be used to enhance community goodwill by providing escorts for funeral processions and community parades. To date, a total of three motorcycles are utilized by the Laurel Police Department.

TRAFFIC ENFORCEMENT UNIT

In 2008, the Laurel Police Department instituted a Traffic Enforcement Unit (TEU) primarily tasked with the reduction of speed related traffic offenses and pedestrian motor vehicle accidents. The TEU also assists the Patrol Division with the investigation of motor vehicle accidents, funeral processions, crosswalk enforcement and other traffic related events.

FY2016	ADOPTED OPERATING BUDGET
	PUBLIC WORKS

DEPARTMENT OF PUBLIC WORKS

The City's Department of Public Works provides a wide range of services to the citizens of Laurel. These include refuse and recycling collection, street, sidewalk, curb and gutter and storm drain maintenance, pavement markings, traffic engineering and technical services, tree management, and snow and ice removal. The Department also has a preventative maintenance program for all City vehicles. The Department of Public Works manages the City's Capital Improvement Program.

In FY2016, the Department will participate in the City's Governmental Accounting Standards Board (GASB-34) compliance requirements by implementing an infrastructure inventory process utilizing geographical information systems, which is funded in the Capital Improvement Program and will continue to enhance the City's curb-side residential and commercial recycling program.

In FY2016, the Department will continue to evaluate street signage in the City with the goal of reducing the number of signs and increasing motorist understanding of their messages. The Department will continue to update and implement the sign replacement schedule. The Department will also develop a field sign inventory and implement a sign replacement schedule database.

The Department currently maintains 58.6 miles of roadway. 1.2 miles of new streets were added during FY2015. 0.9 miles of roadway are expected to be accepted from developers in FY2016.

DEPARTMENT: *DEPARTMENT OF PUBLIC WORKS INTRODUCTION*

DEPARTMENT HEAD: Robert Ferree, Director

FISCAL YEAR: July 1, 2015 – June 30, 2016

PURPOSE: To provide for the construction and maintenance of City facilities and to provide infrastructure and services to protect the health and safety of the community.

RESPONSIBILITIES: The Department of Public Works provides basic maintenance services, plans and supervises street construction and rehabilitation projects and participates with other agencies in project and planning activities.

Service delivery includes routinely scheduled activities, seasonal, referral, special (on demand), and emergency. Department operations include:

Administration	Traffic Engineering	Engineering Design Review
Project Management	Tree Management	Contract Administration
Project Inspection	Snow Removal	
Street Maintenance	Automotive Maintenance	
Refuse Collection & Disposal	Street Lighting	
Recycling Collection & Disposal	Infrastructure Inspection & Reporting	

STAFF: The FY2016 Budget provides for 39 positions.

PERFORMANCE: Specific information and highlights on Department activities and accomplishments are provided in the budget descriptions for each activity area.

FY2016: Planned activities and new programs for FY2016 include enhancing the current City-provided recycling service, continue to expand the multi-family and commercial recycling program, GASB34 compliance, improvements to existing traffic signalization, the supervision of street construction projects funded by the CIP and the planning and engineering of future street construction projects, alley improvements, expanded street maintenance activities. The Laurel Bikeway Master Plan phases 1 and 2 have been completed. A bikeway path on Van Dusen Road will be constructed during this fiscal year, funded by a MDOT grant. Additional phases will be implemented as funding becomes available.

In addition to routine operations, the Street Maintenance Division will intensify its participation in street reconstruction projects, sidewalk repairs, pavement markings, storm drain reconstruction and litter collection. Special programs also include Spring Cleanup, Leaf Collection, and assistance provided to

community events (i.e. Main Street Festival, Riverfest, Emancipation Day Parade, Christmas Parade, Fourth of July Celebration and food pick-up and deliveries to nonprofit organizations).

Personnel in Public Works are assigned to various activities within the Department. Employee hours allocated to each activity area are shown in the budget descriptions for each activity area.

ORGANIZATION CHART

DEPARTMENT: *ADMINISTRATION - 401*

DEPARTMENT HEAD: Robert Ferree, Director

FISCAL YEAR: July 1, 2015 – June 30, 2016

PURPOSE: To provide for the efficient administration and management of the Department of Public Works.

RESPONSIBILITIES: Primary functions and activities include: personnel administration; purchasing; budgeting; maintaining records and preparing reports on financial, statistical, and performance matters; Capital Improvement Program planning; operations planning; administration of the Mosquito Control Program; and referral services.

This division also serves as a clearinghouse for citizen requests and complaints concerning Department services and City maintenance needs. Radio communications between the Department's base station and vehicle mobiles is also handled by administrative staff.

STAFF:	Director	100%
	Office Manager	100%
	Administrative Assistant I (2)	100%
	Total Employee Hours (Estimated):	7,280

PERFORMANCE: The administrative staff handles the Department's clerical duties, which include monthly and special reports, maintaining the City's fleet records and petrochemical inventories, producing recycling information handouts, mosquito control information and the yearly Resident Calendar. New computer programs are on line for the administrative staff, increasing the Department's ability to monitor budgets, services, CIP projects and contract activity. The administrative staff also handles all commercial, residential and recycling billing. The Department also works on enhancing the existing "Recycle for the Future" program to increase recycling awareness, transition apartment and commercial establishments into the recycling program, and address compliance issues.

FY2016: During FY2016, the Department will continue to expand its recycling re-education program and focus on improving the current recycling program, streamline compliance reporting, and implement updated Public Works codes. The Office Manager will continue with the duties of Recycling Coordinator in order to provide enhanced management of the Recycling Program.

COMMITTEE ASSIGNMENTS: Keep Prince George’s County Beautiful (KPGCB) – formerly Citizens Concerned for a Cleaner County
Maryland Municipal Public Works Officials Association
Maryland Recyclers Network (MRN)
Mayor and City Council (M&CC)
Transportation & Public Safety Committee (T&PS)
Fort Meade Regional Growth Management Committee (FMRGMC)
American Public Works Association (APWA) Mid-Atlantic Chapter

DEPARTMENT: *AUTOMOTIVE MAINTENANCE - 410*

DEPARTMENT HEAD: Robert Ferree, Director

FISCAL YEAR: July 1, 2015 – June 30, 2016

PURPOSE: To provide for the management, maintenance and repair of all City automotive equipment.

RESPONSIBILITIES: The Department's Automotive Shop provides fleet maintenance as required for the Police Department, Public Works, Parks and Recreation, City Administrator, Community Planning and Business Services, Information Technology, Laurel Volunteer Fire Department, Laurel Volunteer Rescue Squad and the Mayor.

This Division's responsibilities and capabilities include routine and preventive maintenance, brake work, engine overhauls, engine replacements, body work, tune-ups, electrical repairs, tire mounting and balancing, welding and specialized servicing of heavy equipment. Work previously performed by outside contractors, (outfitting specialized equipment on new City vehicles, specialized markings of police vehicles, maintaining several of the fire department and rescue squad vehicles and some large vehicle transmission, engine repairs and replacement), is being handled by City staff at a significant savings to the City.

STAFF:	Fleet Maintenance Supervisor	100%
	Automotive Mechanic (3)	100%
	Administrative Assistant (1)	100%
	Total Employee Hours (Estimated):	10,140

PERFORMANCE: The Public Works Shop assumes primary maintenance responsibility for all equipment and preventive maintenance/repairs for the City's fleet of 209 vehicles and special equipment and 9 LVFD and 6 LVRS vehicles.

Mayor	1 Vehicle	City Administrator	4 Vehicles	Communications	1 Vehicle
Police	104 Vehicles	Comm. Planning & Business Services	8 Vehicles		
Public Works	61 Vehicles	Senior Programs	6 Vehicles		
Recreation	22 Vehicles	Information Technology	2 Vehicles		
LVFD	9 Vehicles	LVRS	6 Vehicles		

The Public Works Shop specializes in repair and preventive maintenance on trucks, heavy-duty equipment and construction equipment.

FY2016: A Preventive Maintenance Program was developed and implemented January 1, 1991. Vehicles scheduled for maintenance under this program include Public Works vehicles/equipment, City Administrator's vehicles, Community Planning & Business Services vehicles, Communications vehicles, Information & Technology vehicles, the Mayor's vehicle, the Police Department, Parks and Recreation vehicles/equipment, Senior Services, LVFD and LVRS. Additional training of Shop Personnel is on-going with courses scheduled regularly for other specialized training.

DEPARTMENT: WASTE COLLECTION - 415

DEPARTMENT HEAD: Robert Ferree, Director

FISCAL YEAR: July 1, 2015 – June 30, 2016

PURPOSE: To provide for the health and sanitation of City residents and businesses by providing solid waste collection and disposal services.

RESPONSIBILITIES: Services provided under this budget include: residential refuse collection, bulky trash pickup, commercial refuse collection and commercial special pickup.

STAFF: The budget provides for five (5) residential collection routes, a commercial collection route and special collections “on demand” or “by request.”

Assistant Director	100%
Waste Management Supervisor	75%
Equipment Operator II (3)	100%
Laborer II (6)	100%
Total Employee Hours (Estimated):	22,100

This Division also uses about 1,000 hours of temporary personnel for peak work periods, vacation coverage, and the Spring Cleanup Program.

PERFORMANCE: The charts on the following page reflect calendar year data for previous years, and information through December 2014 for FY 2015.

In all cases concerning missed collections or service complaints, this Division attempts to collect the missed trash within 24 hours and/or to identify and correct service problems. The Department currently performs better than the national average for number of customers per route, and tons collected per route. Also, the cost per residence (including overhead) is lower than area private collectors.

FY2016: In FY2016, the Department will continue to adjust the residential/commercial refuse routes to enable the existing routes to absorb new developments.

DEPARTMENT: **RECYCLING - 420**

DEPARTMENT HEAD: Robert Ferree, Director

FISCAL YEAR: July 1, 2015 – June 30, 2016

PURPOSE: To provide recycling collection for single-family, multi-family and commercial properties.

RESPONSIBILITIES: Services provided under this budget include: residential and commercial recycling programs, home electronics recycling, yard debris collection and Christmas tree recycling, tire recycling, CFL and fluorescent bulbs collection and recycling, household batteries, DVD's, CD's, and heavy appliance collection and recycling.

STAFF: The budget provides for four residential collection routes and one commercial collection route.

Waste Management Supervisor	25%
Equipment Operator II (1)	100%
Equipment Operator I (1)	25%
Laborer II (2)	100%
Laborer II (1)	25%
Total Employee Hours (Estimated):	7,800

PERFORMANCE: The following chart reflects calendar year data from the previous years, and information from January 1, 2014 through December 31, 2014. Residential recycling also includes apartments and those businesses voluntarily participating in the program.

* Based on tipping fee of \$58.00/ton (effective FY2013)

FY2016: The City-wide mandatory Residential Recycling Program implemented in September 1990 will be continued and the service will be provided by the Recycling Collection and Disposal Division of the Department of Public Works. In FY2016, the Department plans to continue to expand the recycling program by holding an April Electronics Recycling Event as well as expand the Commercial Recycling Program by recruiting more City businesses into the program. Additionally, the Department hopes to increase residential participation through the “Recycle for the Future” program, updates on CATV, the local newspaper, providing larger residential carts (both 35-gallon and 65-gallon), enhanced customer service and the single-stream process.

DEPARTMENT: **RECYCLING - 420**

DEPARTMENT HEAD: Robert Ferree, Director

FISCAL YEAR: July 1, 2015 – June 30, 2016

PURPOSE: To provide recycling collection for single-family, multi-family and commercial properties.

RESPONSIBILITIES: Services provided under this budget include: residential and commercial recycling programs, home electronics recycling, yard debris collection and Christmas tree recycling, tire recycling, CFL and fluorescent bulbs collection and recycling, household batteries, DVD's, CD's, and heavy appliance collection and recycling.

STAFF: The budget provides for four residential collection routes and one commercial collection route.

Waste Management Supervisor	25%
Equipment Operator II (1)	100%
Equipment Operator I (1)	25%
Laborer II (2)	100%
Laborer II (1)	25%
Total Employee Hours (Estimated):	7,800

PERFORMANCE: The following chart reflects calendar year data from the previous years, and information from January 1, 2014 through December 31, 2014. Residential recycling also includes apartments and those businesses voluntarily participating in the program.

RESIDENTIAL RECYCLING	2010	2011	2012	2013	2014

Tipping Fees Avoided (\$)*	\$82,538	\$902,109	\$94,032	\$98,298	\$99,491

* Based on tipping fee of \$58.00/ton (effective FY2013)

FY2016: The City-wide mandatory Residential Recycling Program implemented in September 1990 will be continued and the service will be provided by the Recycling Collection and Disposal Division of the Department of Public Works. In FY2016, the Department plans to continue to expand the recycling program by holding an April Electronics Recycling Event as well as expand the Commercial Recycling Program by recruiting more City businesses into the program. Additionally, the Department hopes to increase residential participation through the “Recycle for the Future” program, updates on CATV, the local newspaper, providing larger residential carts (both 35-gallon and 65-gallon), enhanced customer service and the single-stream process.

DEPARTMENT: *STREET MAINTENANCE - 425*

DEPARTMENT HEAD: Robert Ferree, Director

FISCAL YEAR: July 1, 2015 – June 30, 2016

PURPOSE: To provide for the maintenance of the City's streets, storm drainage systems, rights-of-way and alleys.

RESPONSIBILITIES: This budget provides for: temporary and permanent street repairs; pavement crack sealing; street and traffic sign maintenance; alley grading and maintenance; storm drain cleaning and maintenance; rights-of-way maintenance and cleaning. Also included are litter collection and the annual leaf collection programs.

STAFF: The various activities that are covered by street maintenance comprise the second largest area of activity by the Department. Many of the Department's operations in this category are seasonal in nature. Peak manpower needs of this Division are met with the use of temporary personnel (approximately 500 employee hours).

Assistant Director	100%
Street Maintenance Supervisor	100%
Crew Leader (1)	100%
Equipment Operator (1)	100%
Equipment Operator (1)	35%
Laborer II (1)	35%
Laborer II (4)	100%
Total Employee Hours (Estimated)	17,836

PERFORMANCE: The figures shown on the charts on the following pages are for work items and assignments completed for the 12-month period ending on January 31st of the respective years.

WORK ITEM	2010	2011	2012	2013	2014	2015
<i>Temporary Patches (Tons)</i>	16.5	10.5	7	9	7	6
<i>Permanent Patches (Tons) –DPW</i>	286.75	1,723	1,749	4,947	7,885	355
<i>Stone (Alleys – Tons)</i>	31.24	8.95	167.2	50.63	77	21
<i>Storm Drain Reconstruction</i>	1	1	8	15	8	8

FY2016: The Sidewalk Maintenance Program and the Street Maintenance Program will be funded in FY2016. Additionally, the Division will continue the yard waste recycling program which began in FY1996.

Planned activities include a continuation of road patching activities to complement the City's street reconstruction projects funded by the CIP. In addition, this Department works with local police agencies to provide road closures and traffic control for special events.

DEPARTMENT: SNOW AND ICE REMOVAL - 430

DEPARTMENT HEAD: Robert Ferree, Director

FISCAL YEAR: July 1, 2015 - June 30, 2016

PURPOSE: To provide services to remove snow and ice accumulations on City streets.

RESPONSIBILITIES: In accordance with an annually revised Snow Emergency Plan, clearing operations are accomplished on a priority basis: snow emergency routes, hazardous locations, public facilities, side streets and drainage structures. Limited clearing services are provided to main roads in 7 subdivisions with private streets.

STAFF: The budget provides for staffing during snow removal operations. The budget provides a significant percentage of overtime expense for Department of Public Works employees and other City employees as needed. A snow removal duty crew usually includes:

Supervisor	Regular Drivers (2)
Mechanic	Communications Clerk
CDL Equipment Operators (5)	

The 2016 budget numbers are based on five (5) 12-hour winter storms with a total accumulation of about 18-25 inches during the 2015-2016 season.

PERFORMANCE: During the period of March 2014 through March 2015, we experienced 16 storms that required Department response. The storms were a combination of ice, sleet and snow. The total for snow accumulation for the 2014-2015 season was 32 inches. The total amount of salt used to combat icy conditions was 2,115.5 tons, plus 4,800 lbs. of calcium chloride. The Department is proud of its performance record in responding to and accomplishing prompt and effective snow and ice clearing. Department performance has long been recognized as among the best in the region. The City's salt dome has a storage capacity of 450 tons. This storage facility ensures adequate protection of salt during long-term storage and ensures that the environment of the area's watershed is protected.

FY2016: Service has been expanded to include new streets and subdivisions.

DEPARTMENT: *STREET LIGHTING - 435*

DEPARTMENT HEAD: Robert Ferree, Director

FISCAL YEAR: July 1, 2015 – June 30, 2016

PURPOSE: The City's street lighting budget is designed to provide well-lit streets throughout the City to improve vehicular traffic safety and contribute to pedestrian friendly and safe sidewalks. Most of the City's street lighting fixtures are maintained by the Baltimore Gas and Electric Company (BGE) for which the City pays a monthly fee. There are approximately 1,638 streetlights in the City, 1,538 of which are maintained by BGE, the other 100 are maintained by the Department of Public Works.

FY2016: The use and conversion to high-pressure sodium lights is planned to continue. High-pressure sodium lights provide more light per dollar than other types. New subdivisions are required to provide street lighting. These lights are then brought into the City's program for maintenance and utility expense. It is expected that additional lighting will be installed in Leizear Court, Castle Court and Lord Snowden Place, which will add an additional 3 streetlights to the City's street lighting system in FY2016. Design review and assistance for new street lighting systems are provided by Public Works Engineering and Technical Services Division.

<i>Street Light Fixtures (Net Removals/Installations)</i>					
<i>2010</i>	<i>2011</i>	<i>2012</i>	<i>2013</i>	<i>2014</i>	<i>2015</i>
1,592	1,646	1,646	1,649	1,650	1,638

PERFORMANCE: The Department continues to convert mercury vapor streetlights to high-pressure sodium throughout the City. This Department also does periodical street light level testing and uses the CIP to install new or updated lighting as required through BGE or private contractors.

DEPARTMENT: *ENGINEERING AND TECHNICAL SERVICES - 440*

DEPARTMENT HEAD: Robert Ferree, Director

FISCAL YEAR: July 1, 2015 – June 30, 2016

PURPOSE: To provide for the efficient management and administration of special construction/engineering projects, including the Capital Improvement Program. This budget also funds consultant engineering.

RESPONSIBILITIES: The Engineering and Technical Services Division plans, coordinates, inspects and supervises Department and CIP construction projects performed by contractors, Department personnel and other City staff. This Division is also responsible for monitoring, coordinating and inspecting construction by developers and public utilities within public rights-of-way. The Engineering and Technical Services Division also assists the Department of Community Planning and Business Services in reviewing development plans to evaluate their impact on City facilities and services.

Additionally, this Division prepares the applications for grants applicable to the CIP and administers those contracts. The FY2011 Bond Issue provided funding for a number of street improvement projects, which were completed in FY2014.

This Division also provides technical information and reports to the general public and other agencies based on data obtained from traffic studies, sound level surveys and other research projects by City Staff and outside consultants.

STAFF:

Inspector	100%
Total Employee Hours (Estimated):	1,820

PERFORMANCE: The Engineering and Technical Services staff supervised the installation of 1,485 square yards of sidewalk, 1,480 linear feet of curb and gutter, under Street Improvement Projects. Inspections were provided for the placement of 1,328 tons of asphalt (including all asphalt inspected by City staff).

Shown below are recorded service requests and key activities of the EATS Staff:

CONSTRUCTION DIVISION ACTIVITIES	<i>Year End 02/28/14</i>	<i>Year End 02/28/15</i>
<i>Sidewalk (Square Yards)</i>	3,490	1,485
<i>Curb & Gutter (Linear Feet)</i>	2,244	1,480

<i>Project Inspections</i>	796	852	56
<i>Routine Inspection Tours</i>	1,321	1,424	103
<i>Traffic Counts</i>	48	46	(2)
TOTAL:	5,149	5,648	499

**Data was included in the Streets Division chart in combination with other categories, moving forward all construction activities will be reflected in the chart above.*

FY2016: Projects and activities planned for FY2016 include:

CIP planning and document preparation
Park and Facility improvement programs as outlined in the CIP
Street improvement programs as outlined in the CIP
Traffic studies at selected locations
Light level monitoring at controlled sites
Engineering for future street improvement programs
Construction inspection at new developments and City Projects
Acquisition of data for GIS system
Coordination with State agencies for joint projects
In-house Traffic Safety Improvements
Review off-site infrastructure improvements related to development

DEPARTMENT: *TRAFFIC ENGINEERING - 445*

DEPARTMENT HEAD: Robert Ferree, Director

FISCAL YEAR: July 1, 2015 - June 30, 2016

PURPOSE: To provide for the safe use of the City's public right-of-ways by both motorists and pedestrians.

RESPONSIBILITIES: The Department of Public Works participates with the Police Department, the Department of Community Planning and Business Services, Transportation and Public Safety Committee, State Highway Administration and the Prince George's County Department of Public Works and Transportation in reviewing traffic problems and developments having an impact on traffic.

The Department is responsible for traffic engineering, installation and repair of traffic control signs and signals, pavement markings and lettering, operation and maintenance of traffic counters for studies and for inspecting and correcting hazardous conditions.

The Department maintains traffic signals at ten intersections. During the past few years, the Department completed the conversion of the City traffic signal operations from loop detection to video activation, this is a multi-year program was completed at the end of FY2014. All 10 of the signals are now LED style lighting, which reduces maintenance and utility costs to the City. Also, the City has begun to install Pedestrian Crossing count-down systems at red lights. For safety enhancement, Pedestrian Crossings and Stop for Pedestrians w/crosswalk pedestals are placed in various crosswalk areas around town.

STAFF: Traffic safety planning and special projects are handled by the Department's project and administrative staff. Maintenance activities are accomplished on a periodic basis by service maintenance personnel, with some assistance from contractors.

Crew Leader	100%
Equipment Operator	100%
Equipment Operator	40%
Laborer II (2)	40%
Total Employee Hours (Estimated):	5,824

PERFORMANCE:

2010	2011	2012	2013	2014	2015
521	341	396	368	124	180

Line striping activities include crosswalks at 81 intersections, parking lot markings at eight facilities and traffic lane markings on City-maintained roadways. This division also maintains pavement marking at the railroad station commuter parking lot.

Each year, the Department studies the possible need for future traffic signals on an as needed basis.

FY2016: The City is expecting to add 12 more streets during this year.

DEPARTMENT: *TREE MANAGEMENT - 450*

DEPARTMENT HEAD: Robert Ferree, Director

FISCAL YEAR: July 1, 2015 - June 30, 2016

PURPOSE: To provide for the care and maintenance of the City's Urban Forest; to maintain aesthetically pleasing streetscape; to assure the safe passage of pedestrian and vehicular traffic and to foster tree planting and maintenance programs for roadside and private trees and continue to be a part of Tree City USA.

RESPONSIBILITIES: This budget provides for tree removal work, tree trimming, the clearing of limbs and trees felled by storms, the replacement of trees lost due to natural causes and the planting of new trees in an effort to increase our urban forest.

STAFF: Department personnel perform routine trimming and pruning to remove dead limbs, obstructions along sidewalks and streets and branches obscuring street and traffic signs. The removal of dead or diseased trees is accomplished by using both outside contractors and DPW Staff. The Department's activities include emergency response to remove trees and limbs felled as the result of severe storms, new and replacement plantings, inspection and annual pruning.

Crew Leader II	100%
Equipment Operator I	100%
Total Employee Hours (Estimated):	4,160

PERFORMANCE: During the year ending February 28, 2014, the Department responded to 98 service calls with more than 68 trees trimmed, pruned and planted in the City rights-of-way. Department personnel have gained valuable experience in tree management and are providing a greater variety of services including new tree plantings and stump grinding. In past years, the Department has responded to hundreds of requests for trees down and emergency removal due to storms that swept through Laurel. The Department has personnel trained, equipped and ready to provide these emergency services when needed.

FY2016: The removal of diseased or damaged trees is determined by citizen requests and regular inspections by this Department's staff. The Maryland Forestry Department provides inspections and permits for removals and new plantings when warranted.

FY2016 (cont'd):

The Department occasionally participates with citizens and civic groups in tree planting efforts.

A limited tree-planting program is planned for FY2016. A municipal tree survey, conducted in cooperation with the Maryland Department of Natural Resources, was accomplished at no expense to the City in 1987 and continues to be used as historic data for an inventory of all City trees.

This Department has transplanted and maintains several trees that are certified offspring of the official State Tree, the Wye Oak. Two of these trees are located at Saratoga Avenue and at Laurel Lakes Court. Additional Wye Oak offspring were obtained in 1993. Six of these were planted in the Granville Gude Park.

The City's street tree inventory has increased by 30% in the past three years due to infill developments and annexations. Additional trees will be added as new developments are accepted.

FY 2016	ADOPTED OPERATING BUDGET
	PARKS AND RECREATION PROGRAMS

DEPARTMENT OF PARKS AND RECREATION INTRODUCTION

The City of Laurel’s Department of Parks and Recreation is a full-service agency offering recreation programs and services throughout five facilities and seventeen park sites encompassing over 288 acres of parkland.

PARK SITES	
Duniho-Nigh Community Park	Greenview Drive Park
Bear Branch Stream Valley	Larry T. Smith Memorial Park
Brooklyn Bridge Road Stream Valley	Mulberry Street Tennis Courts
Centennial Park	Cypress Street Athletic Field
Riverfront Park	Discovery Community Park
Roland B. Sweitzer Community Park	Emancipation Community Park
Snowden Place Tot Lot	Granville Gude Park
Stephen P. Turney Recreation Complex	
Alice B. McCullough Field with Sturgis-Moore Recreation Area	
Leo E. Wilson Community Park with Dr. Bruce Morley Dog Playground	
Patuxent River(undeveloped)	
RECREATION FACILITIES	
Robert J. DiPietro Community Center	
Greenview Drive Pool Complex	
Laurel Armory-Anderson and Murphy Community Center	
Laurel Municipal Pool Complex	
Lakehouse at Granville Gude Park	
Centennial Park Skate Park	

The Department is in the business of creating memories and making life worth living. Swimming at one of the City Pools with your family, fishing along the Patuxent River, working out in a fitness room in one of our community centers, enjoying a watercolor class at the Greenview Drive Cabana, jogging through Riverfront Park, digging out a triple in softball and volunteering to help beautify a park are just a few of the many activities you and your family can enjoy in Laurel.

The individual, community, economic and environmental benefits of parks and recreation opportunities to the City are innumerable. The Department provides opportunities for living, learning and leading full and productive lives as well as avenues to experience purpose, pleasure, health and well-being. Programs offered by the Department are essential for creating opportunities to interact with families, work groups, neighbors, communities as well as the world. The Department provides and preserves parks and open space, which enhances the desirability of an area as well as contributing to the health and safety of its inhabitants. This commitment toward preservation is not merely an expenditure, but an investment in the future for the viability of people and places.

INDIVIDUAL BENEFITS	COMMUNITY BENEFITS
Live longer Reduces the risk of stress related disease Increases self esteem and self reliance Feeling of safety and security Sense of social belonging Eliminates boredom and loneliness Creates balance between work and play Life satisfaction Psychological well-being	Reduces crime, substance abuse and delinquency Connects families Enhances ethnic and cultural understanding, harmony and tolerance Provides outlets for conflict resolution Supports youth Offers lifelines for elderly Provides sense of “community”
ECONOMIC BENEFITS	ENVIRONMENTAL BENEFITS
Increases tourism Enhances land and property value Business retention Revenue generator Self supporting programs Reduces vandalism and crime Reduces health care costs Productive workforce	Clean water! Clean air! Preserves wildlife Reduces pollution Protects ecosystem Place to enjoy nature’s beauty Enhances community pride Provides valuable open space Catalyst for relocation

MISSION STATEMENT

To establish, maintain and operate a comprehensive program for parks and recreation to ensure the delivery of a variety of leisure services and facilities that enhance and enrich the quality of life for the citizens and residents of the City of Laurel.

DEPARTMENT OF PARKS AND RECREATION PROGRAM AREA GOALS

Administration

To provide for the effective administration of the Department's various functions; for the planning, design and management of facilities and parks; and for the planning, supervision and evaluation of recreational and leisure programs and activities.

Recreation

To provide a variety of quality recreational and leisure services utilizing all facilities, both indoor and outdoor, to meet the needs of the City's residents of all ages.

Laurel Municipal & Greenview Drive Pool Complexes

To provide public aquatic facilities which offers both structured and non-structured programs and activities for all age groups.

Robert J. DiPietro Community Center Programs

To provide a variety of quality recreational and leisure services both structured and non-structured, to meet the needs of the City's residents.

Laurel Armory-Anderson And Murphy Community Center Programs

To provide a variety of quality recreational and leisure services both structured and non-structured, to meet the needs of the City's residents.

Granville Gude Lakehouse

To provide a public facility that offers both structured and non-structured programs and activities within a natural park setting.

Senior Services

To provide for and promote senior adult services and activities that respond to their diverse needs and interests, enhance their dignity, support their independence and encourage their involvement in and with the Laurel community.

DEPARTMENT: *ADMINISTRATION - 501*

DEPARTMENT HEAD: Michael J. Lhotsky, Director

FISCAL YEAR: July 1, 2015 - June 30, 2016

PURPOSE: To provide for the effective administration of the Department's various functions; for the planning, design and maintenance of facilities and parks; and for the planning, supervision and evaluation of recreational and leisure activities.

RESPONSIBILITIES: Included within the scope of responsibilities of the Department of Parks and Recreation are several major areas. These areas include: direct leadership and supervision of programs for all age groups; administration of all parks and recreation related projects within the Capital Improvement Program (CIP); subdivision and site review of recreational amenities and landscaping plans; administration of the Laurel Municipal Pool, Greenview Drive Pool Complex, Robert J. DiPietro Community Center, Laurel Armory-Anderson-Murphy Community Center, and the Lakehouse at Granville Gude Park; and acquisition and development of park land, open space and stream valleys.

STAFF:	Director	100%
	Office Manager	100%
	Superintendent of Parks and Facilities	100%
	Facility Foreman	100%
	Facility Maintenance Technician	100%
	Administrative Assistant II	100%
	Administrative Assistant I	100%
	Total Employee Hours:	15,340

PERFORMANCE: Renovations at Laurel Armory Anderson-Murphy Community Center were completed this year. Improvements included exterior window refurbishment, storm window installation, ceiling insulation and gymnasium wall re-plastering. Light filtering, protective curtains were installed in the gymnasium. Exterior building improvements included re-pointing of bricks and replacement of coping stone. This project was partially funded through a State of Maryland Grant.

The tot lot at Centennial Park was replaced with a state of the art playground with safety surfacing. A skate park featuring a series of steps, ramp and rails was added to the park and the entire area was landscaped with a walking path, benches and plantings. The project was funded through the city's CIP and the state's Program Open Space.

FY2016: The Department is responsible for assisting with the administration and supervision of park and facility projects. Additional renovations to the Laurel Armory Anderson-Murphy Community Center and additional renovations to the parks and recreation maintenance facility will enhance the operations of the facility. Program Open Space (POS) funding will enable the Department to explore land purchases for additional parks.

COMMITTEE ASSIGNMENTS: Parks and Recreation Citizens Advisory Committee
 Laurel Tree Board
 Laurel Civic Improvement Committee (LCIC)
 Mayor and City Council

The Parks and Recreation Citizens Advisory Committee provides recommendations and advisory services to the Mayor and City Council of Laurel on matters relating to parks and recreational services; cooperates with other governmental agencies, civic groups and other organizations in advancing sound parks and recreational planning and programming; and reports on the recreation needs of the citizens of Laurel. The City of Laurel has been awarded for the 5th consecutive year, Playful USA status by KaBOOM! for its promoting of play/playgrounds in the community.

The Tree Board promotes the care and preservation of trees as a valued natural resource. Educational programs are being developed to make school children aware of the benefits of trees. The City of Laurel recently received the prestigious Tree City USA Award for the 20th consecutive year.

Under the direction of the department, the LCIC will continue to focus on improving the aesthetic appeal of the City. The annual open house was held in March and was an over whelming success. Future projects will focus on land beautification and promotion of positive images about the City. Programs include an Annual Open House in March, Bike Rodeo Event in June, annual Dog Show in September and Holiday Parade & Tree Lighting in December.

DEPARTMENT: *RECREATION PROGRAMS - 505*

DEPARTMENT HEAD: Michael J. Lhotsky, Director

FISCAL YEAR: July 1, 2015 - June 30, 2016

PURPOSE: To provide a variety of quality recreational and leisure services for all citizens of the City of Laurel.

RESPONSIBILITIES: It is the responsibility of the Department to utilize all of the facilities, both indoor and outdoor, at its disposal to meet the recreational and leisure needs of the public. Some programs offered to meet those needs are preschool programs, seasonal special events for families, children and adults, summer camps, drop-in programs for children, teens and adults, class and workshop programs for children, teens and adults, teen trips program, after-school children's activities, and adult sports leagues.

STAFF:	Deputy Director	100%
	Recreation Program Specialist	100%
	Assistant Recreation Facility Manager	100%
	Recreational and Auxiliary Employees	
	Total Employee Hours:	14,538

PERFORMANCE: Programs and activities offered through this budget include: the teen trips and Weekend Teen & Middle School Club programs, a variety of camp programs for all ages and departmental special events. With grant funding provided by the Maryland-National Capital Park and Planning Commission, Department of Parks and Recreation, Prince George's County, the department is able to offset the cost for many family special events and youth programs. Some of the programs offered include: Eggstravaganza, Harvest Moon Hayride, Dog Show, Bike Rodeo, Partnership Hall Indoor Family Movies, Breakfast with Santa, Halloween Spooktacular, Lakefest, Doggie Dip Day, Flick n' Float Outdoor Movie Program, Outdoor Concerts in the park, and the City Holiday Parade and Tree Lighting. Additionally, the department offers several adult sports leagues and works in partnership with many youth sports organizations. Programs for senior citizens are listed under a separate budget within this document.

The movie and concert series on the stage at Granville Gude Park continues to be a popular draw and portable state of the art movie equipment allows the Department to offer movies at other sites throughout the year such as McCullough Field Stage and Partnership Hall at the Barkman-Kaiser Public Safety Complex. The Department works with local community groups such as the Laurel Lions Club and with area businesses for co-sponsorship of events.

PERFORMANCE (cont'd):

The Department also assists groups such as the Fourth of July Committee, Emancipation Day Celebration Committee and the Laurel Board of Trade with events and programs. The Department also makes space available for the, Laurel Literacy and the Laurel Historical Society for their summer camp operations and storage of their supplies. Use of athletic fields and facilities is coordinated with the Laurel Boys and Girls Club, Laurel Little League, Laurel Hurricanes/Stallions Football and Cheerleading and W.I.S.E. Basketball, as well as Laurel and Pallotti High Schools and St. Mary's CYO and school for practices and games.

The Department operates a weekend Teen Club Program for youth ages 12-17 at the Robert J. DiPietro Community Center and a Middle School Youth Club for ages 9-13 at the Laurel Armory Anderson and Murphy Community Center. These programs are meant to meet the social and leisure time needs of teens in the greater Laurel area through sports, video gaming, trips and cultural/educational programs as well as through unstructured social activities. These programs, as well as the Laurel Teen Outdoors Club trip program and the Summer Teen Camp were partially funded through a grant from M-NCPPC, Department of Parks and Recreation, Prince George's County. For the fifth consecutive year, the Department has been recognized by KabOOM! as a Playful City USA, for its continued dedication to and promotion of Play in the City of Laurel.

FY 2016: The Department will continue to offer new classes, workshop and special event programs to meet the demands and needs of the community. The Department's new Youth Sports Division will better coordinate the various youth sports organizations serving the youth of Laurel. The Department will assist with registration and oversee the use of parks and facilities by all youth organizations in the City.

DEPARTMENT: *LAUREL MUNICIPAL POOL PROGRAMS - 510*

DEPARTMENT HEAD: Michael J. Lhotsky, Director

FISCAL YEAR: July 1, 2015 - June 30, 2016

PURPOSE: To provide a public aquatic facility that offers both structured and non-structured activities for all age groups.

RESPONSIBILITIES: The Department is responsible for operating the Laurel Municipal Pool seven (7) days a week, opening Memorial Day weekend and closing Labor Day. The pool contains four (4) separate pool areas - main pool, lap pool, diving pool and wading pool along with locker/changing areas and a concession area and picnic pavilion. The Department is also responsible for offering a wide range of activities and programs such as swim lessons, lifeguard training, a competitive swim team, as well as hours for recreational swimming.

STAFF:	Recreational Employees Hours	11,452
	Total Employee Hours:	11,452

PERFORMANCE: Swimmers at the pool can take advantage of any of the four pools at the complex. The facility boasts a large recreational pool with a slide, pool side basketball goal, training pool, deep water well with diving board and two-story slide and a children's wading pool with fountain feature. As well, the lesson program continues to be a popular amenity at the pool. The number of outside groups such as day camps and daycares has increased the weekday attendance.

In addition to a concession stand with a large variety of food items for sale, the facility offers a picnic pavilion area, complete with tables and shade feature that is available for rental that accommodates families and groups spending the day at the facility.

Family oriented special events are offered for more summer fun at the pool. With the addition of the Greenview Drive Pool Complex, pass holders can take advantage of both aquatic facilities.

FY2016: The Department will continue to sponsor family oriented special events and evening programs throughout the summer as well as continue to offer classes and the swim team program.

DEPARTMENT: *ROBERT J. DIPIETRO COMMUNITY CENTER PROGRAMS - 515*

DEPARTMENT HEAD: Michael J. Lhotsky, Director

FISCAL YEAR: July 1, 2015 - June 30, 2016

PURPOSE: To provide a wide range of quality recreational and leisure activities, both structured and non-structured, to meet the needs of the City residents.

RESPONSIBILITIES: To initiate and conduct a comprehensive recreation program planning schedules to maximize the use of the facility.

STAFF: Recreation Center/Sports Supervisor 100%
Recreational and Auxiliary Employees

Total Employee Hours: 9,956

PERFORMANCE: The Robert J. DiPietro Community Center hosts many of the programs and activities provided by the Department. Some of these programs include: an active class and workshop program for children, teens and adults; daytime, evening and weekend drop-in programs; and a successful half-day preschool program. The facility also hosts many of the Department's indoor sports programs as well being one of the sites for the Weekend Teen Club. This facility is the location for several special events such as Spring Break Camp and Halloween Spooktacular. The Department's Summer Day Camp Program, Preschool and Games Club are also housed at the Center. A large number of senior adult classes, drop in programs and special events are held during the daytime hours at the center.

The fitness room with state of the art Matrix line equipment that includes treadmills, hybrid bikes, elliptical and ascent trainers, various multi functional weight machines and a functional trainer continues to grow in popularity and use. Ping pong, pool and foosball tables as well as comfortable lounge furniture makes the game room a popular draw for all ages.

The adjacent Cypress Street Athletic Field plays host to a variety of sports activities. Two covered pavilions, one at each end of the field, with picnic tables and a grill as well as the newly renovated playground and paved walking path circling the perimeter of the field makes the facility an ideal place for outdoor enjoyment. Both Department offered athletic leagues and local youth sports organizations work hand in hand to provide year round utilization of the field.

FY2016: The Department will continue to offer new programs to meet the needs of the community.

DEPARTMENT: GREENVIEW DRIVE PROGRAMS - 520

DEPARTMENT HEAD: Michael J. Lhotsky, Director

FISCAL YEAR: July 1, 2015 - June 30, 2016

PURPOSE: To provide a public aquatic facility that offers both structured and non-structured activities for all age groups.

RESPONSIBILITIES: The Department is responsible for operating the Greenview Drive Recreation Complex seven (7) days a week, opening Memorial Day weekend and closing Labor Day. The pool contains two (2) separate pool areas - main pool and wading pool along with locker/changing areas, vending area and picnic tables. The adjacent park amenities include a walking path and tennis courts.

STAFF:	Recreational Employees Hours	3,280
	Total Employee Hours:	3,280

PERFORMANCE: This aquatic facility boasts a large recreational pool with a slide and pool side basketball goal, shallow end ramp, large shade feature and ample deck and lounging space great for sunning and playing many of the facilities lawn games. The covered pavilion with picnic tables and portable grill is ideal for family outings and may be reserved for private use. The operations of the Greenview Drive Pool complex mirror the operations of the Laurel Municipal Pool. With similar hours of operation, the pool now offers both recreational swimming and a swim lesson program. The facility now attracts several summer camp and other groups throughout the season. Pass holders can take advantage of both aquatic facilities. The indoor cabana is available for use by departmental functions as well as for party rentals.

FY2016: The Department will continue to offer new programs to meet the needs of the community. Expanding the swim lesson programs at this site will continue and will include water fitness and adapted aquatic programs. Additionally, a concession stand with a variety of snack items for sale will open with the 2015 summer season.

DEPARTMENT: *ARMORY ANDERSON-MURPHY COMMUNITY CENTER PROGRAMS - 525*

DEPARTMENT HEAD: Michael J. Lhotsky, Director

FISCAL YEAR: July 1, 2015 - June 30, 2016

PURPOSE: To provide a wide range of quality recreational and leisure activities, both structured and non-structured, to meet the needs of the City residents.

RESPONSIBILITIES: To initiate and conduct comprehensive recreational program planning schedules to maximize the use of the facility.

STAFF: Recreation Center/Aquatics Supervisor 100%
Recreational and Auxiliary Employees

Total Employee Hours: 9,956

PERFORMANCE: The Laurel Armory Anderson-Murphy Community Center offers a very successful youth, teen and adult drop-in program. The facility is also home to a gaming lounge that is utilized by participants of all ages and is the primary location for the Middle School Youth Club, Anime Club and Yu-Gi-O! Club. Participants from the Armory art class program completed decorative painting of the walls in the gaming lounge. The dance room and second floor meeting rooms are popular for a variety of classes, meetings and room rental programs. The facility utilizes the gymnasium for both class programs and rental group use.

The lower level of the facility offers a fitness room with belt driven machines and free weights. Several new pieces of fitness equipment were replaced this past year. The second floor gaming lounge is completed with two large screen HD televisions, air hockey and foosball tables, several gaming systems and comfortable seating. Decorative renovations to the room were done by the students of the art program that is offered at the Armory. The City Holiday Parade and Tree Lighting event and Bike Rodeo are held at the Armory.

Renovations to the gymnasium windows and walls were completed this year. Along with the mechanical curtain that divides the gym in two that helps to maximize use, mechanical curtains with mesh material that allows for ample natural lighting, have been put in place to protect windows and walls from sports play. The stage areas of the gym have received new flooring and windows and are now under consideration to house new activities. Additionally, HVAC work was completed on the upper level area to allow for air conditioning during summer months.

The administrative offices and van service for the Division of Senior Services is housed at the Armory. Additionally, many daytime senior programs are held in the building.

FY2016: Proposed building renovations include improvements to the lower level of the facility. Plans provide for handicapped accessibility, additional bathroom facilities, and expansion to both the fitness room and dance room.

DEPARTMENT: *GUDE LAKEHOUSE PROGRAMS - 535*

DEPARTMENT HEAD: Michael J. Lhotsky, Director

FISCAL YEAR: July 1, 2015 - June 30, 2016

PURPOSE: To provide a facility to serve the needs of the citizens of Laurel renting space for community meetings, social events and Department recreational programs and activities.

RESPONSIBILITIES: This budget provides for the program operation of the Lakehouse and events within the park. The facility contains a concession area, meeting room, patio area and boat dock.

STAFF: Recreational Employees

Total Employee Hours: 983

PERFORMANCE: The walking path around the lake, Lakehouse operations, and picnic pavilions, playground and the nearby restaurants make Granville Gude Park one of the most heavily used sites within the City. The Friday Family Fun outdoor movie program that showcases first run movies on state of the art equipment is coupled with the Outdoor Concert in the Park series and provides family entertainment every Friday throughout the summer season. Other activities held at this site included the Fourth of July Celebration, Eggstravaganza, the annual Lakefest celebration and the National Night Out, an outreach community celebration. A fleet of 12 paddleboats is used for weekend operations from May through September. Two picnic pavilions, grills and an adjacent playground make the park a popular site of family parties.

Citizens taking advantage of the Lakefront area may notice cleaner parkland as the services of the fowl friendly “Geese Police” helps decrease the over abundance of Canada Geese. The grounds will still remain a habitat for ducks, heron and other natural aquatic life.

A shed storage unit houses the boats in the off season. Seasonal banners adorn the park path year round enhancing the beauty of the area that remains popular for walkers and runners.

In efforts to improve the water quality of the lake, a series of environmentally friendly and aesthetically pleasing rain gardens, stone pavers and bayscapes were added to filter run off water that enters the lake.

FY2016: The Department will continue to showcase the beautiful Robert Burton Stage at Granville Gude Park with programs and events while maintaining one of the City’s most beautiful and popular parks.

DEPARTMENT: *SENIOR SERVICES - 550*

DEPARTMENT HEAD: Michael J. Lhotsky, Director

FISCAL YEAR: July 1, 2015- June 30, 2016

PURPOSE: To promote senior adult services and activities that respond to their diverse needs and interests, enhance their dignity, support their independence and encourage their involvement in the Laurel community.

RESPONSIBILITIES: The senior citizen program promotes, sponsors and coordinates quality recreation and leisure opportunities, health related services, clinics and seminars, educational classes and workshops, and social service referrals. It also provides for the dissemination of information and services to all senior adults in the Laurel area. The staff coordinates specialized social services, assists with crisis intervention and provides individualized assistance with the support of county agencies, local service providers and caregivers. The program also coordinates a van transportation service for senior citizens and persons with disabilities.

STAFF:	Senior Program Coordinator	100%
	Receptionist/Dispatcher	100%
	Auxiliary Employees	
	Total Employee Hours:	6,787

PERFORMANCE: With the opening of the M-NCPPC operated regional Senior Center, the Department's senior service program was modified. The Division of Senior Services successfully relocated its administrative offices and van service to the Laurel Armory Community Center and many activities to other City facilities and Community Centers. The Trips and Travel program continues to be popular and has expanded to include evening and weekend offerings. The van transportation service also remains popular and has been utilized by a large number of participants requiring rides to the new M-NCPPC Senior Center, local businesses and shopping venues.

With grant funding provided by the Maryland-National Capital Park and Planning Commission, Department of Parks and Recreation, Prince George's County, the department is able to offset the cost for many senior programs and transportation. The department offers a large number of local trips and excursions, teas and luncheons and evening/weekend special events. The increase in senior citizen housing within the Laurel community has had a positive impact on the participation numbers at the center. Additionally, to accommodate demand, van transportation was expanded by offering limited hours on the weekends. Other programs offered through this budget include: senior health workshops and clinics, recreational and educational classes offered by the Department of Parks and Recreation and Prince George's Community College.

FY2016: Programs will continue to evolve with the intent to complement activities at the regional center. Local trips and special events seem to be popular with the seniors and these programs will continue to expand.

The Senior Citizens Advisory Committee has been eliminated, however senior representation has been added to the Parks and Recreation Citizens Advisory Committee in order to provide recommendations and advisory services to the Mayor and City Council of Laurel on matters relating to senior transportation and recreational services; cooperates with other governmental agencies and senior organizations in providing recreational planning and programming; and reports on the recreation needs of the senior citizens of Laurel.

FY 2016	ADOPTED OPERATING BUDGET
	PARKS AND RECREATION MAINTENANCE

DEPARTMENT: *GROUNDS MAINTENANCE - 280*

DEPARTMENT HEAD: Michael J. Lhotsky, Director

FISCAL YEAR: July 1, 2015– June 30, 2016

PURPOSE: To provide and maintain outdoor active and passive recreation areas for citizens of all ages with varying leisure and recreational interests.

RESPONSIBILITIES: This program involves the daily general park maintenance within the City. Such work consists primarily of: mowing, weeding, watering, trash pickup and litter control, ball field maintenance, installation and repair of athletic equipment, maintenance of picnic areas, benches and tables, tennis court maintenance, basketball and multi-purpose court maintenance, parking area maintenance, installation and repair of fencing and gates, routine maintenance of the City's trail system, snow removal, emergency repairs, clearing and cleaning of park land, safety and security of parks and playground areas, repair and replacement of damaged items and support services for recreational programs and other City departments. The park inventory consists of 18 sites containing approximately 288 acres of parkland, open space and stream valleys. Grounds personnel also maintain approximately 10 acres of rights-of-way.

STAFF:	Grounds Supervisor (100%)	2,080 Hrs.
	Horticultural Supervisor (100%)	2,080 Hrs.
	Grounds Foreman (100%)	2,080 Hrs.
	Laborer (1) (100%)	2,080 Hrs.
	Auxiliary Employees	2,518 Hrs.
	Total Employee Hours:	10,838 Hrs.

PERFORMANCE: Playground equipment replacement at Centennial Park to include the addition of a skate park was completed. Engineering for park path improvements have been completed. With increasing demands to maintain the landscapes in our parks and around our buildings, a Horticultural Supervisor position was created.

FY2016: Path improvements to Granville Gude Park and Riverfront Park are planned. A grant from the Maryland Department of Natural Resources enabled the Department to remove downed trees from several areas of the Patuxent River.

DEPARTMENT: *LAUREL MUNICIPAL CENTER MAINTENANCE - 281*

DEPARTMENT HEAD: Michael J. Lhotsky, Director

FISCAL YEAR: July 1, 2015– June 30, 2016

PURPOSE: The facility houses the Offices of the Mayor, City Council, the City Administrator, the Departments of Information Technology, Budget and Personnel Services, Community Planning and Business Services, Parks and Recreation and Communications as well as the Council Chambers, meeting rooms and the cable television studio.

This budget provides for the care and maintenance of the Municipal Center building, including general costs such as utilities and custodial services.

RESPONSIBILITIES: The facility provides office space, conference rooms, storage space and archives needed to conduct the business of the Offices and Departments housed in the building as well as parking for employees and the public.

Day-to-day custodial services and small repairs are provided by the Department of Parks and Recreation. In addition, Parks and Recreation personnel provide manpower for the care and maintenance of lawns, trees and shrubbery on site, snow removal and sweeping of driveways and parking areas.

The Building Foreman position provides building security and oversees auxiliary staff for after-hours building coverage for meetings and other functions.

STAFF:	Building Custodian (100%)	2,080 Hrs.
	Auxiliary Employees	500 Hrs.
	Total Employee Hours:	2,580 Hrs.

PERFORMANCE: Major renovations to the Council Chambers, Reception and Passport area, the Budget and Personnel Services department, and areas of Community Planning and Business Services were completed. The offices are open to the public during regular business hours. Meeting rooms are used extensively for official meetings during regular business hours and evenings.

FY 2016: The Department of Parks and Recreation will continue to investigate energy conservation practices to save on utility expenses. Renovations are planned for the Council Chambers, Reception area, and Department of Budget and Personnel offices.

DEPARTMENT: FAIRALL FOUNDRY PUBLIC WORKS COMPLEX - 284

DEPARTMENT HEAD: Michael J. Lhotsky, Director

FISCAL YEAR: July 1, 2015 – June 30, 2016

PURPOSE: The Fairall Foundry Public Works Complex at 305-307 First Street is the base of operations for Department of Public Works activities, equipment and maintenance personnel.

RESPONSIBILITIES: This activity area provides for the maintenance of the Fairall Foundry Public Works Complex. This building houses the Public Works administrative staff, automotive shop, locker room and lunchroom, and provides storage for vehicles, tools, equipment, supplies, gasoline and petrochemicals.

PERFORMANCE: Building Custodian staff has instituted flexible work hours to insure the facility is cleaned during times that are convenient for Public Works staff. The HVAC system for the shop was improved to provide more comfort and efficiency.

STAFF: Building Custodian (100%) 2,080 Hrs.
Total Employee Hours: 2,080 Hrs.

FY2016: Staff will continue to provide janitorial and building maintenance. Staff is looking into possible renovations to expand the bathroom facilities to better serve the staff.

DEPARTMENT: *ROBERT J. DIPIETRO COMMUNITY CENTER MAINTENANCE - 285*

DEPARTMENT HEAD: Michael J. Lhotsky, Director

FISCAL YEAR: July 1, 2015 – June 30, 2016

PURPOSE: To provide a well-maintained facility to accommodate the needs of the citizens of Laurel of all ages who wish to participate in indoor recreational and leisure activities.

RESPONSIBILITIES: This budget provides for the maintenance of the Robert J. DiPietro Community Center. The facility includes a multi-purpose room, fitness room, lounge, pre-school room, dance floor, game room, pantry/kitchen area, storage, office space, satellite garage and gymnasium.

STAFF:	Building Custodian (100%)	2,080 Hrs.
	Total Employee Hours:	2,080 Hrs.

PERFORMANCE: The Center provides many drop-in and structured recreational programs for all ages. A new air handler for the gymnasium was installed.

FY2016: As the demands on this facility continue to increase, the staff remains dedicated to providing a safe, clean environment for all participants. Repairs to the parking lot are planned.

DEPARTMENT: *ARMORY ANDERSON-MURPHY COMMUNITY CENTER - 286*

DEPARTMENT HEAD: Michael J. Lhotsky, Director

FISCAL YEAR: July 1, 2015 – June 30, 2016

PURPOSE: To provide a well-maintained facility for the citizens of Laurel of all ages who wish to participate in indoor recreational and leisure activities and to provide rental space for meetings and activities.

RESPONSIBILITIES: This budget provides for the maintenance and operation of the Laurel Armory Anderson - Murphy Community Center. The facility contains meeting/classrooms, office, storage and a gymnasium. A maintenance facility exists at the rear of the building.

PERFORMANCE: The Center continues to provide many drop-in recreational activities for all ages. Upgrades and improvements to the windows and walls were completed along with new gymnasium insulation. New LED lights were installed to the interior and exterior of the facility.

FY2016: The Department is currently working with the Maryland Historic Trust for approval on improvements that will include additional restroom space for participants and renovations to the basement area.

DEPARTMENT: *LAUREL MUSEUM - 287*

DEPARTMENT HEAD: Michael J. Lhotsky, Director

FISCAL YEAR: July 1, 2015 – June 30, 2016

PURPOSE: To provide a well-maintained facility to serve as home to the Laurel Museum.

RESPONSIBILITIES: This budget provides for the utility costs and some minor maintenance costs at the Factory House. The facility contains offices and museum space operated by the Laurel Historical Society.

PERFORMANCE: An interior masonry wall was replaced per the approval of the Maryland Historic Trust.

FY2016: The facility will continue to host a full schedule of activities this year. Exterior improvements are planned that will include wood porch replacement and painting of the windows and doors.

DEPARTMENT: *GUDE LAKEHOUSE - 288*

DEPARTMENT HEAD: Michael J. Lhotsky, Director

FISCAL YEAR: July 1, 2015 – June 30, 2016

PURPOSE: To provide a well-maintained facility to serve the needs of the citizens of Laurel for community meetings, social events and recreational programs and activities.

RESPONSIBILITIES: This budget provides for the maintenance of the Lakehouse. The facility contains a concession area, meeting room, patio area and boat dock.

PERFORMANCE: Maintenance is performed as needed to keep the facility in good condition.

FY 2016: The Lakehouse continues to be a popular venue for small rental groups and paddle boat use.

DEPARTMENT: *LAUREL MUNICIPAL POOL - 289*

DEPARTMENT HEAD: Michael J. Lhotsky, Director

FISCAL YEAR: July 1, 2015 – June 30, 2016

PURPOSE: To provide a well-maintained and safe public aquatic facility that attracts citizens of all ages for recreational pursuits.

RESPONSIBILITIES: The Department of Parks and Recreation is responsible for maintaining the Laurel Municipal Pool Complex, seven (7) days a week, opening Memorial Day Weekend and closing Labor Day. The facility contains four separate pool areas - main pool, lap pool, diving pool and wading pool along with locker/changing areas and a concession area.

PERFORMANCE: New ADA approved handicapped lifts were added to Laurel Municipal Pool and Greenview Drive Pool as required by Prince George's County Health Department.

FY2016: Some of the pools will be scheduled for white coating to protect the pool floor and walls.

DEPARTMENT: *BARKMAN-KAISER PUBLIC SAFETY COMPLEX - 290*

DEPARTMENT HEAD: Michael J. Lhotsky, Director

FISCAL YEAR: July 1, 2015 – June 30, 2016

PURPOSE: This facility houses the Police Station.

RESPONSIBILITIES: This budget provides for the maintenance of the Police Station.

PERFORMANCE: This facility houses community events along with police department activities and training venues. Daily maintenance will continue to be performed for the entire facility. New flood walls to protect the basement level from extreme weather were finished. HVAC improvements were made to the Partnership Activity Center for better energy efficiency.

FY 2016: Staff will continue to maintain the facility with a combination of full time and auxiliary employees.

DEPARTMENT: *GREENVIEW DRIVE RECREATION COMPLEX - 291*

DEPARTMENT HEAD: Michael J. Lhotsky, Director

FISCAL YEAR: July 1, 2015 – June 30, 2016

PURPOSE: To provide a public aquatic facility that offers both structured and non-structured activities for all age groups. The Greenview Drive Pool is managed and operated by Parks and Recreation and provides an alternative to the existing Municipal Pool located on Main Street.

RESPONSIBILITIES: The Department is responsible for operating the Greenview Drive Pool seven (7) days a week, opening Memorial Day weekend and closing Labor Day. The complex contains two (2) separate pool areas – a main pool with a graduated depth of 2’-5’. The shallow entry area allows for recreational swimming and the deeper area for lap swimming. There is a separate wading pool along with indoor shower/changing areas. The adjacent green space has three (3) tennis courts for public use.

PERFORMANCE: The facility offered daily admissions as well as monthly and full season passes. Pass holders were able to use their memberships at both this facility and the Laurel Municipal Pool. The cabana meeting rooms have become very popular for small parties and family functions. New ADA approved lifts were added to each Pool as required by the Prince Georges County Health Department. A concession area was added to this facility in May 2015. Work was completed on the walk bridge foundation and the stream bed to limit erosion in the future.

FY2016: The Department will continue to make improvements to the interior club house building (Cabana) and surrounding pool and parkland areas as available funding permits. Programs will be added to meet the needs of the community. Staff is monitoring expected ADA changes from Prince Georges County Health Department. Those changes will be addressed when they are finalized.

DEPARTMENT: *PARKS AND RECREATION MAINTENANCE FACILITY - 292*

DEPARTMENT HEAD: Michael J. Lhotsky, Director

FISCAL YEAR: July 1, 2015 – June 30, 2016

PURPOSE: To provide a facility for the Department of Parks and Recreation Maintenance Operations and land for recreational and leisure activities.

RESPONSIBILITIES: This budget provides for the maintenance and operation of the facility on Sandy Spring Road.

PERFORMANCE: The facility houses the Department of Parks and Recreation Maintenance operations equipment and serves as a base location for maintenance staff. Additional landscaping to the front of the facility was completed.

FY2016: Continued maintenance of the facility will be scheduled to present a pleasing appearance to the public.

FY 2016	ADOPTED OPERATING BUDGET NON-DEPARTMENTAL
---------	---

NON-DEPARTMENTAL

FISCAL YEAR: July 1, 2015 - June 30, 2016

PURPOSE: This section of the annual budget contains expenditure items essential to the City government's operation, which, because of their nature, do not fall within any particular activity area. These include Debt Service, Employer's Pension Contribution, Employee Training and Tuition, Property Insurance, Employee Insurance, Operating Transfer to the CIP and the Special Taxing District.

EXPENDITURES	ACTUAL FY2014	BUDGETED FY2015	PROPOSED FY2016	ADOPTED FY2016

CIP DOCUMENT OVERVIEW

1. **Acknowledgements - Page i:**

This section recognizes those people and organizations involved in the development of this document. This includes the Mayor and City Council, the City's Citizens Advisory Committees, City Departments, and those agencies outside of the City that provided information, usually in the form of their respective CIPs.

2. **Table of Contents - Page ii:**

The Table of Contents for the entire document.

3. **Project Schedule Table of Contents - Page iii:**

This table of contents is for section "F" of the document. This section provides a summary of and the project pages for projects the City is either undertaking (facility renovations, street repairs/reconstruction, etc.) or in which it has some involvement (Floodplain Study, Van Dusen Road, Route One improvements, etc.).

4. **Introduction - Section "A":**

This section provides an overview of the Capital Improvement Program (CIP), which includes what a CIP is, why it is needed, what its objectives are and the different ways to finance a CIP.

5. **Existing Facilities - Section "B":**

This section provides information and locations (maps) of public facilities leased, owned and operated by the City. This section also provides information and locations (location maps) of public facilities leased, owned and operated by others within the City's corporate limits.

6. **Area Growth and Development - Section "C":**

This section provides an overview of commercial, industrial and residential development in and around the City. This section also provides housing and population growth information for the City.

7. **Projects by Other Agencies - Section "D":**

This section provides information on projects by other agencies, which have an impact on the City. These include roadways, emergency services, mass transportation, recreation, public utilities and other projects that would affect the residents of Laurel.

8. Fiscal Profile - Section "E":

This section provides four tables that depict the fiscal relationships between the CIP and the General Operating Budget. The main factors are property tax revenues and assessments, debt amortization (repayment) costs and bond sales. The information provided in these tables is used to determine the amount of debt the City can issue, projections of future debt payments, and projected property tax revenue that will have to be pledged toward the debt costs.

9. Project Schedules - Section "F":

This section provides information on the City Capital Improvement Projects to be funded and not funded in the upcoming fiscal year (i.e. FY2016 begins July 1, 2015 and ends June 30, 2016). Estimates for future expenditures are also provided in this section.

Pages F-1 through F-2 provides a summary of FUNDED PROJECTS listed in table form in alphanumeric order showing past, present and future expenditures, where applicable. In addition, the funding provided by other agencies is shown in this table.

Pages F-3 through F-6 provides a summary of PHOTO ENFORCEMENT FUNDED PROJECTS listed in table form in alphanumeric order showing present expenditures.

Pages F-7 through F-45 are FUNDED PROJECTS arranged in alphanumeric order. A summary of the project page by section follows:

- A. This section provides the project number, name and most recent revision date for the project.
- B. This section provides a breakdown of the costs of the project by items (rows) and years (columns). The rows are self-explanatory. Following is an explanation of the columns for this section:
 - 1.Cost Elements - This column provides a breakdown of the project by element.
 - 2.Total Costs - This column provides the total expected cost for the project from beginning to end.
 - 3.Thru FY14 - This column provides a total cost for the project from its beginning through the last completed fiscal year.
 - 4.Estimate FY15 - This column provides the estimated cost for the project for the current fiscal year.
 - 5.Total to Complete - This column provides an estimated cost to complete the project using the cost for the upcoming fiscal year and all out years.

6. Year 1 FY1 through Year 6 FY21 - These columns provide cost estimates for the respective fiscal years.

7. Beyond 6 Years - This column provides a total cost estimate for the years beyond those years covered in the document.

- C. This section provides information on funding sources for the project by source (i.e. Program Open Space, City Bond Proceeds, General Operating Budget, etc.) for each of the columns as described above.
- D. This section provides a description of the project and the justification.
- E. This section provides information on the project, such as the year the project was introduced, the first year funds were appropriated and expenditure information.
- F. This section is used to show any financial impact that the project will have on the General Operating Budget.
- G. This section provides a map showing the project location. Where there is no specific location, the words "VARIOUS LOCATIONS CITY WIDE" or "STUDY" is shown instead of a map.

Page F-46 through F-47 provides a summary of UNFUNDED PROJECTS listed in table form, in alphanumeric order showing past, present and future expenditures, where applicable. In addition, the funding provided by other agencies is shown in this table.

Pages F-48 through F-81 are UNFUNDED PROJECTS arranged in alphanumeric order.

10. Completed Projects - Section "G":

This section includes those projects completed in the prior fiscal year.

FY 2016	ADOPTED CAPITAL IMPROVEMENT PROGRAM
---------	---

	A - INTRODUCTION
--	------------------

INTRODUCTION

CAPITAL IMPROVEMENT PROGRAM

FISCAL YEARS 2016-2021

THE NEED FOR PLANNING:

In the last few decades, the City of Laurel and surrounding areas have witnessed an explosion of growth, in both residential and commercial construction. Large residential communities such as The Crescents and the Wellingtons have been developed within the City limits as well as smaller communities (Magnolia Woods, Laurel Cove, Contee Crossing, Laurel Ridge, etc.). These developments and other developments in the surrounding area bring commercial development of retail, office and light industrial uses proposed in all areas within and surrounding the City. Although the economic downturn slowed down development in FY2011, there have been renewed efforts in planning with new construction scheduled in FY2015. In order to deal with increasing growth pressures within and outside the City, such as traffic, the need to expend capital funds to maintain the quality of life enjoyed in the City of Laurel is essential. This especially points to future investment in providing quality recreational activities, and planning for the replacement of aging infrastructure such as the street system and renovations to the City's buildings.

Existing public facilities, notably streets, require periodic reconstruction or repair. Other facilities, such as unimproved park areas must undergo large-scale maintenance improvements and recreational site development. New residential and commercial development places additional demands on the transportation network and drainage systems and requires newer, more sophisticated, traffic control techniques. Through adequate public facilities regulations, the private sector provides many public facilities in newly developing areas. Other demands for City services, along with those of the existing developed areas, can only be met by the public sector.

As these improvements cannot occur simultaneously, City officials must coordinate the completion of these improvements with population levels and determine the type of facilities needed. The City of Laurel decides which projects are needed, as well as the funding sources.

A Capital Improvement Program will assure that the City's needs and desires are met over the years in a program which anticipates general long range expenditures and determines specific proposals for the years immediately ahead. An annual review of this program will assure that priority is given to those projects most essential to Laurel's citizens. In addition, the continually updated financial program will make information regarding the immediate and future needs of the City available to Laurel's citizens.

WHAT CAPITAL IMPROVEMENT PROGRAMMING IS:

The Capital Improvement Program is a fiscal plan, or a schedule for financing public improvements over a period of time. This schedule balances the community's need for public improvements with its ability to finance these improvements. It spreads these improvements over a number of years in order to stabilize expenditures and to avoid sharp fluctuations in property tax rates. In short, Capital Improvement Programming enables a community to reconcile its need for public improvements with its financial resources.

The Capital Improvement Program is developed utilizing the general guidelines outlined in the Master Plan. These guidelines for growth and development help City officials to anticipate the need for public improvements by approximating the date by which these facilities must be in place and by determining the type of facility needed. The City of Laurel Planning Commission reviews the Capital Improvement Program for conformance with the Master Plan.

Some of the objectives of Capital Improvement Programming are:

1. To focus attention on community goals, needs and capabilities

Capital projects can be brought into line with community objectives, anticipated growth, and the City's financial capabilities. Future planning insures that needed and desired projects will be constructed before less needed and less desired projects.

2. To achieve optimum use of the taxpayer's dollar

Since a Capital Improvement Program schedules the acquisition of facilities over time, it serves as a guide for local officials in making sound annual budget decisions. In addition, a listing of anticipated future construction may encourage the purchase of needed land prior to actual construction.

3. To serve broad-based community interest

A Capital Improvement Program keeps the public informed about future construction plans of the community. This program can aid citizens in voicing their needs and desires to their elected officials. Additionally, knowledge about the future physical needs of the community and the financial ability of the local government to fulfill these needs is a valuable aid to private investors.

4. To encourage a more efficient governmental administration

Coordination of capital improvement programming by City departments can reduce scheduling problems, eliminate conflicting and overlapping projects, and avoid over- emphasis on any governmental function. Since work can be more effectively scheduled, City officials can better utilize available personnel and equipment.

5. To improve the basis of inter-governmental and regional cooperation

Capital improvement programming offers public officials of all governmental units (city, county, state, special district) an opportunity to plan the location, timing and financing of needed improvements in the interest of the community as a whole. Furthermore, because many public works services and facilities do not stop at City or County boundaries, adequate planning and cooperation by the various agencies and governments through a Capital Improvement Program will help reduce public inconveniences.

6. To maintain a sound and stable financial program

Sharp changes in the structure of bonded indebtedness may be avoided when the construction of capital projects is spaced over a number of years. Because capital improvement programming forces public officials to plan major undertakings, the most economical means of financing each project can be selected in advance. Keeping planned projects within the financial capacity of the community helps to preserve its credit rating and make the area more attractive to business and industry.

7. To enhance opportunities for participation in federal or state grants

There are many federal and state programs that a local government may draw upon for planning, construction, and financing of capital improvements. The preparation of a Capital Improvement Program improves the local government's ability to obtain such aid.

WHAT CAPITAL IMPROVEMENT PROGRAMMING IS NOT:

It should be emphasized that the adoption of a Capital Improvement Program does not commit a jurisdiction to a bond sale. Although bond sales finance many capital improvements, funds for these improvements may be obtained from a wide variety of sources.

A Capital Improvement Program is not a rigid document. Rather, it is a flexible plan, which responds to changing community needs or desires. Projects can be added or deleted; projects can be deferred or advanced. The required annual review of the Capital Improvement Program provides this flexibility.

A Capital Improvement Program does not create long-term and unwieldy debts. In fact, since programming forces public officials to closely examine a jurisdiction's ability to incur debt, it is unlikely that a jurisdiction, which adopts an annual Capital Improvement Program, would assume unmanageable debts.

The adoption of a Capital Improvement Program for any given year does not authorize future expenditures. Legislative authorization is given only for expenditures undertaken during the upcoming fiscal year. Expenditures shown for years beyond that fiscal year cannot be authorized until a Capital Improvement Program is adopted for those future fiscal years.

GLOSSARY OF TERMS USED IN CAPITAL IMPROVEMENT PROGRAMMING

Appropriation: Legislative authorization to acquire and allocate money for specified projects within a specified dollar limit.

Assessable Base: The total value of taxable real property within a political jurisdiction. Laurel's Charter prohibits the City from incurring debts in excess of two percent of its assessable base.

Capital Project: A major, permanent public facility having a relatively long life. Examples of these facilities include (1) public buildings, such as city halls and police facility; (2) streets and roads; (3) parks; and (4) storm drainage systems.

Capital Budget: A request for legislative authorization (appropriation) to acquire and allocate funds for capital projects.

Debt Amortization: The periodic payment of principal and interest to retire debts incurred. As used in this document, debt amortization refers to the annual total of debt retirement payments. For each project, a proportionate share of such payments is shown as an annual cost item. Actual payments are included in the operating budget as "Debt Service" and should not be confused with expenditures on capital projects.

Expenditures: Cash outlays or payments for work performed on a capital project.

FINANCING CAPITAL IMPROVEMENTS

Maryland law offers local governments a variety of methods for financing capital improvements. When choosing a financing plan, jurisdictions must consider (1) the nature of the proposed improvements; (2) the benefits which the improvement will yield; (3) the cost of the improvement; and (4) its ability to pay for the improvement. This section discusses some of the ways by which local governments can finance capital improvements.

Pay-as-you-go

When a jurisdiction "pays-as-it-goes", it finances capital projects from current revenues. In other words, a project is not begun unless and until funds have been accumulated to pay for it. These funds may be saved in a number of ways: (1) tax revenues; (2) fees from services provided by the jurisdiction; (3) special assessments; or (4) earmarking of funds into a special account from which the project is financed. Although the pay-as-you-go method of financing capital improvements frees a jurisdiction from costly interest payments, it demands that cash be on hand before the capital improvement is acquired. Since most jurisdictions find it difficult to "stockpile" substantial amounts of cash, few projects are completed under the pay-as-you-go method of financing.

Special Assessments

Many jurisdictions utilize special assessments to finance street and sidewalk repair and the construction of water and sewage facilities. When a special assessment is levied to finance a public improvement, each property owner who benefits from the improvement pays for that portion of the project which affects them. For example, a jurisdiction decides to install sewer lines in front of three properties; one property owner has 100 feet of frontage, a second has 50 feet, and a third has 150 feet. The first property owner would be assessed for 100 feet of sewer line, the second would be assessed for 50 feet worth, and the third would pay for 150 feet worth. The local

government may occasionally bear a portion of the costs of municipal improvements while financing the remainder from special assessments.

State and Federal Aid

Both the state and federal governments offer a wide variety of financial assistance programs and grants to local governments. Some of these grants provide 100 percent of the funds for a specific project. Other grants require the local jurisdiction to bear a percentage of the project's cost. Many grants are distributed on a formula basis with little emphasis on how the grant funds are spent, while other grants are made only for certain activities.

Matching Grants

Many “matching grant” programs are available from both the state and federal governments. Under these programs, recipient jurisdictions provide a percentage of the cost of a specific project in return for the grantor's contribution. Matching grant programs usually require that the local jurisdiction fund a much smaller percentage than the grantor.

Bonds

Perhaps the most widely used form of financing capital improvements is the issuance of bonds. Simply put, a bond is a certificate of indebtedness. This certificate is a promise to repay a certain sum, at a certain interest rate, on a certain day. Bonds can be classified according to the manner in which they are secured: (1) general obligation bonds, secured by the full faith and credit of the issuing jurisdiction; (2) revenue bonds, backed by the money generated by the facility that was acquired through bond sale; and (3) mortgage revenue bonds, backed by a parcel of real property.

Several items must be considered prior to the sale of bonds:

1. The nature of the project and its relation to the Master Plan;
2. The availability of funds from other sources, such as grants-in-aid and accumulated municipal funds;
3. The need for the capital improvement;
4. The City's debt limitation, which is mandated by law;
5. The kinds of bonds available to finance capital projects; and
6. The ability of the City to repay the bonds.

General Obligation Bonds

When a jurisdiction finances capital improvements by selling bonds, more often than not, it will float general obligation bonds. The legislative body may authorize the issuance of general obligation bonds without voter approval. The full faith and credit of the issuing jurisdiction backs these bonds. This pledge insures that the bonds will be repaid.

Revenue Bonds

Revenue bonds are frequently sold to finance capital improvements that generate money. Those who utilize the facility acquired with revenue bonds are charged a fee for its use. The bonds are repaid from these fees. Unlike general obligation bonds, the full faith and credit of the issuing jurisdiction do not secure revenue bonds. Only the revenue that the facility generates backs them.

Mortgage Revenue Bonds

Mortgage revenue bonds are similar to revenue bonds. Like revenue bonds, the full faith and credit of the issuing jurisdiction do not secure mortgage revenue bonds. These bonds are not backed with revenue earned by the capital facility, but with a parcel of real property. If the jurisdiction defaults on repayment, a lien is placed on the property, which was used to secure the bonds.

FY 2016	ADOPTED CAPITAL IMPROVEMENT PROGRAM

	B - EXISTING FACILITIES
--	-------------------------

EXISTING FACILITIES

Public facilities have a crucial effect on the quality of life and the future growth of an area. The presence of adequate and well maintained streets, recreation facilities, schools, street lighting, utilities and public buildings enhance the desirability of a community. Inadequate or poorly maintained public lands, buildings and services have a negative impact on a community's economic, cultural and civic needs.

The Mayor and City Council of Laurel owns and maintains ten buildings, fifteen parks, eleven tennis courts, multi-purpose athletic fields, 52.27 miles of streets, storm drainage systems and over 100 acres of unused land. The recently renovated Centennial Park is home to the first outdoor skate park in the City.

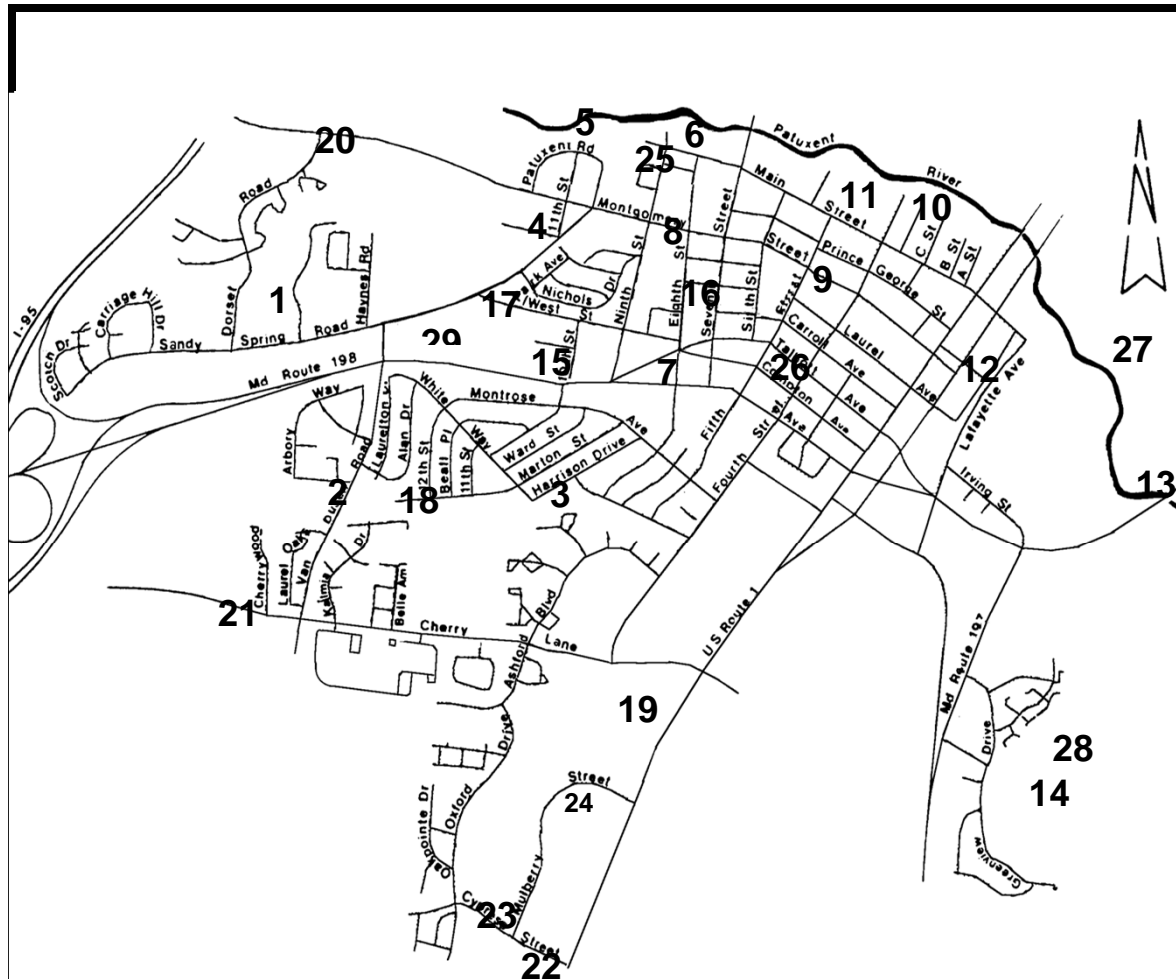

Many public facilities in the City are provided by other government agencies, utility companies and private organizations. Fire and rescue facilities are provided by the LVFD and the LVRS. Utilities are provided by BG&E, Verizon, Comcast Inc., WSSC and Prince George's County Storm Water Management Division. Public schools are the responsibility of the Prince George's County Board of Education. The lakes at Laurel Lakes are owned by the City and maintained by Prince George's County.

The Maryland State Highway Administration (SHA) maintains several roads within the City, including Talbott Avenue, Gorman Avenue, Washington Boulevard (U.S. Route 1 southbound), Second Street (U.S. Route 1 northbound), Interstate 95, MD Route 197 and part of Seventh Street and MD Route 216.

Other non-City facilities include parochial schools, Prince George's County Mental Health Center, Stanley Memorial Library, U.S. Post Office and SHA Maintenance Facility.

	C - AREA GROWTH AND DEVELOPMENT
--	------------------------------------

AREA GROWTH AND DEVELOPMENT

COMMERCIAL AND INDUSTRIAL DEVELOPMENT

The Baltimore-Washington Corridor continues to experience growth. Because of the availability of developable land, especially as compared to other parts of the region, it is expected that this growth will continue. Previous market conditions slowed many development projects however, several projects that were approved during the recent recession are moving forward.

Both employment and residential increase substantially because of the 2005 Base Relocation and Closure (BRAC) legislation relocating the Department of Defense Information Systems Agency (DISA) headquarters to Ft. Meade. Nearly 4,300 DISA, Joint Task Force-Global Network Operations (JTF-GNO) and tenant positions transferred to Ft. Meade as part of the relocation that began in 2011. However, because of the recession many of these employees commute from outside of the area due to their inability to sell their homes.

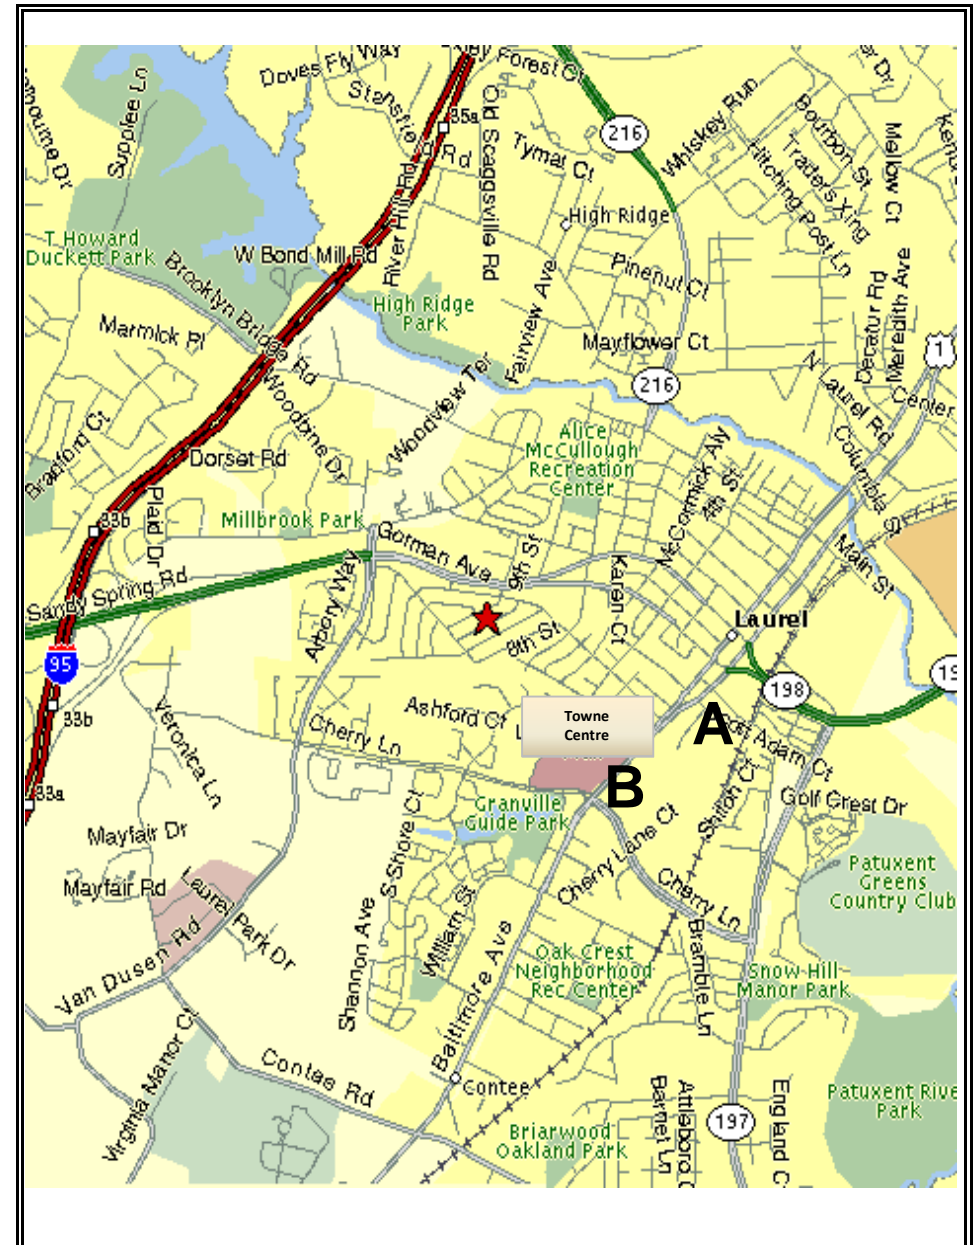

In addition to the influx of BRAC employees, Fort Meade will gain approximately 3,000 new jobs between 2015-2020. The contractor multiplier of 2.23 will add an additional 6,690 people. Therefore, Fort Meade will add approximately 10,000 people to the area between 2015-2020. Historical growth patterns indicate that nearly 4% of the 10,000 (400) could reside in Laurel.

Current projects and developments that are either planned or have gone through the approval process are listed below. Projects carried over from previous CIP's retain their same letter designations.

CITY NON-RESIDENTIAL

HAWTHORNE PLACE. Although predominantly residential, this project contains a location for up to 140,000 sq. ft. of office space, as well as ancillary retail and restaurant uses to serve the project. Phase One is anticipated to begin late 2014 (A)

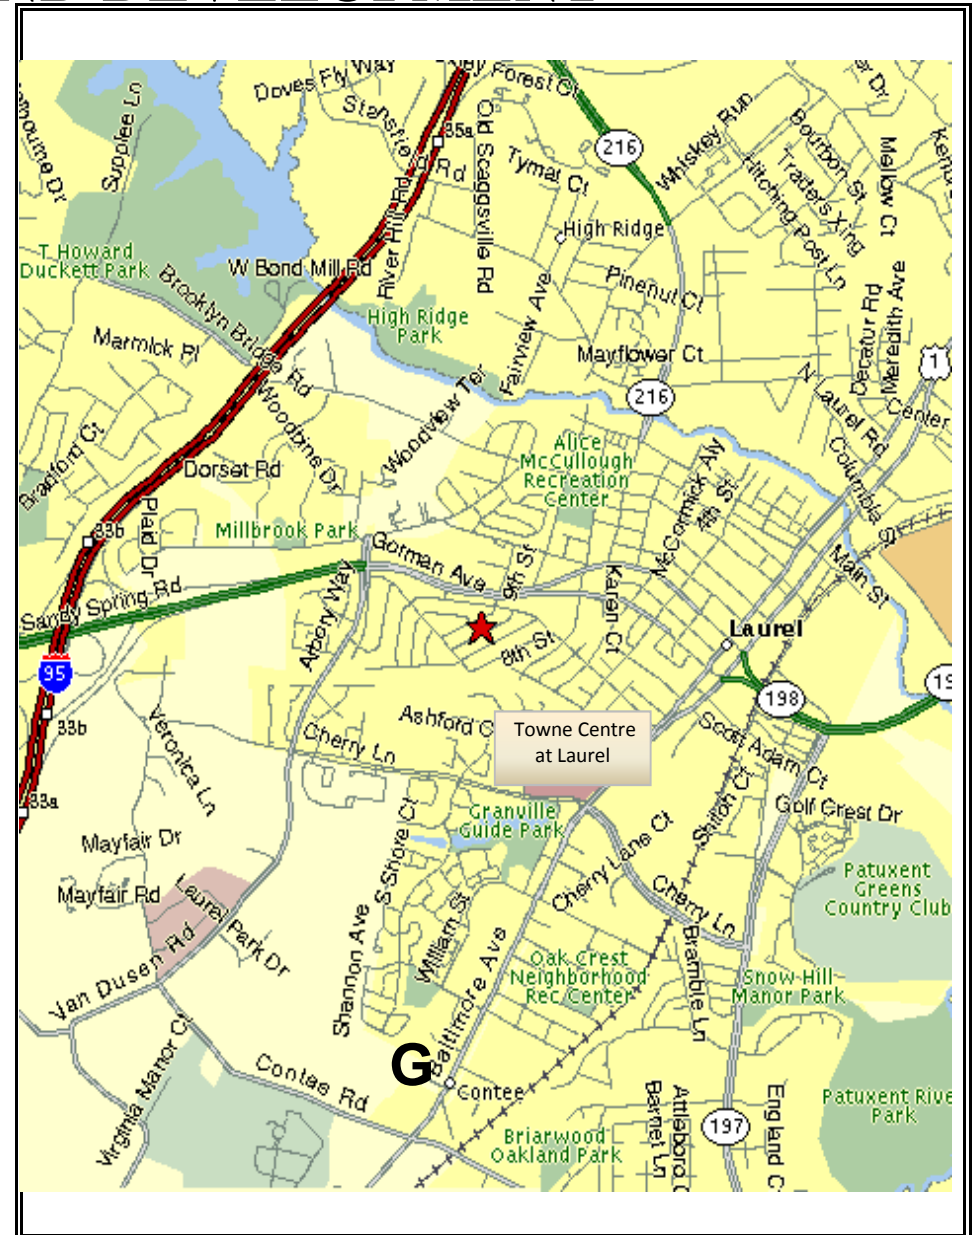

TOWNE CENTRE AT LAUREL. Laurel Mall, purchased in 2005 as a redevelopment project, is to be a mixed-use town centre revitalization project. The phase one which included cinemas, restaurants, a new mix of stores, and a parking garage will be completed in 2015. Construction of phase two, a 350 unit residential apartment and structured parking will begin in 2015. (B)

AREA GROWTH AND DEVELOPMENT

CITY NON-RESIDENTIAL (continued)

BRAYGREEN BUSINESS PARK. Annexed to the City in 2005, this is a development of industrial service complexes and hotels on both sides of Braygreen Road. There are two vacant lots remaining. (G).

AREA GROWTH AND DEVELOPMENT

NON-CITY/NON-RESIDENTIAL DEVELOPMENT

PRINCE GEORGE'S COUNTY

LAUREL EMPLOYMENT PARK. Located just outside of the City in the southwest quadrant of I-95 and MD Route 198. Among the tenants are UPS, Holiday Inn, SunTrust Bank, Washington Suburban Sanitary Commission, and Chevy Chase Federal Savings Bank. A 130,000 sq. ft. office building is now occupied by the national headquarters of Greenhorne and O'Mara Engineers. The SunTrust Building is owned and occupied by Konterra. (C)

THE BRICK YARD. This transit oriented development includes residential, office and employment uses and is adjacent to the Muirkirk MARC Station. (D)

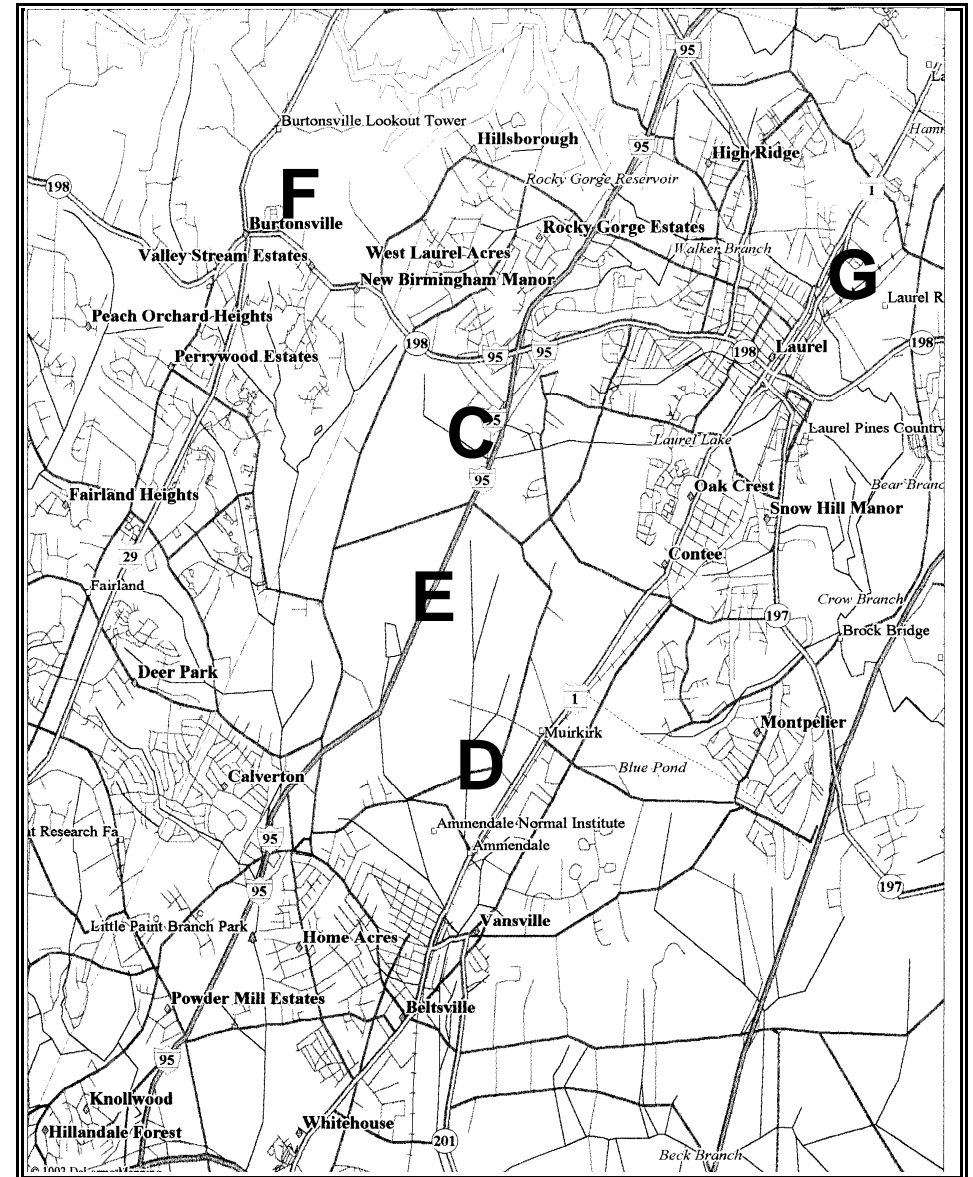

KONTERRA TOWN CENTER EAST. This is to be an "upscale" commercial regional complex located on 488 acres southeast of the proposed I-95 and Contee Road interchange. It is proposed to contain of 1,500,000 sq. ft. of retail space, 3,800 sq. ft. of Class-A office space, 4,500 residential units, including townhomes, condos and apartments, 600 hotel rooms, park, trails, and greenspace. (E)

MONTGOMERY COUNTY

BURTONSVILLE INDUSTRIAL PARK. This project is a mixture of office and warehouse space at Starpoint Lane and MD Route 198. A total of 200,000 square feet has been built. (F)

HOWARD COUNTY

LAUREL PARK STATION. This project, although mostly residential, is proposed to contain 650,000 sq. ft. of office and 127,000 sq. ft. of retail. This development will be built on the Howard County section of the Laurel Park Race Course. (G)

AREA GROWTH AND DEVELOPMENT

NON-CITY/NON-RESIDENTIAL DEVELOPMENT (Continued)

HOWARD COUNTY

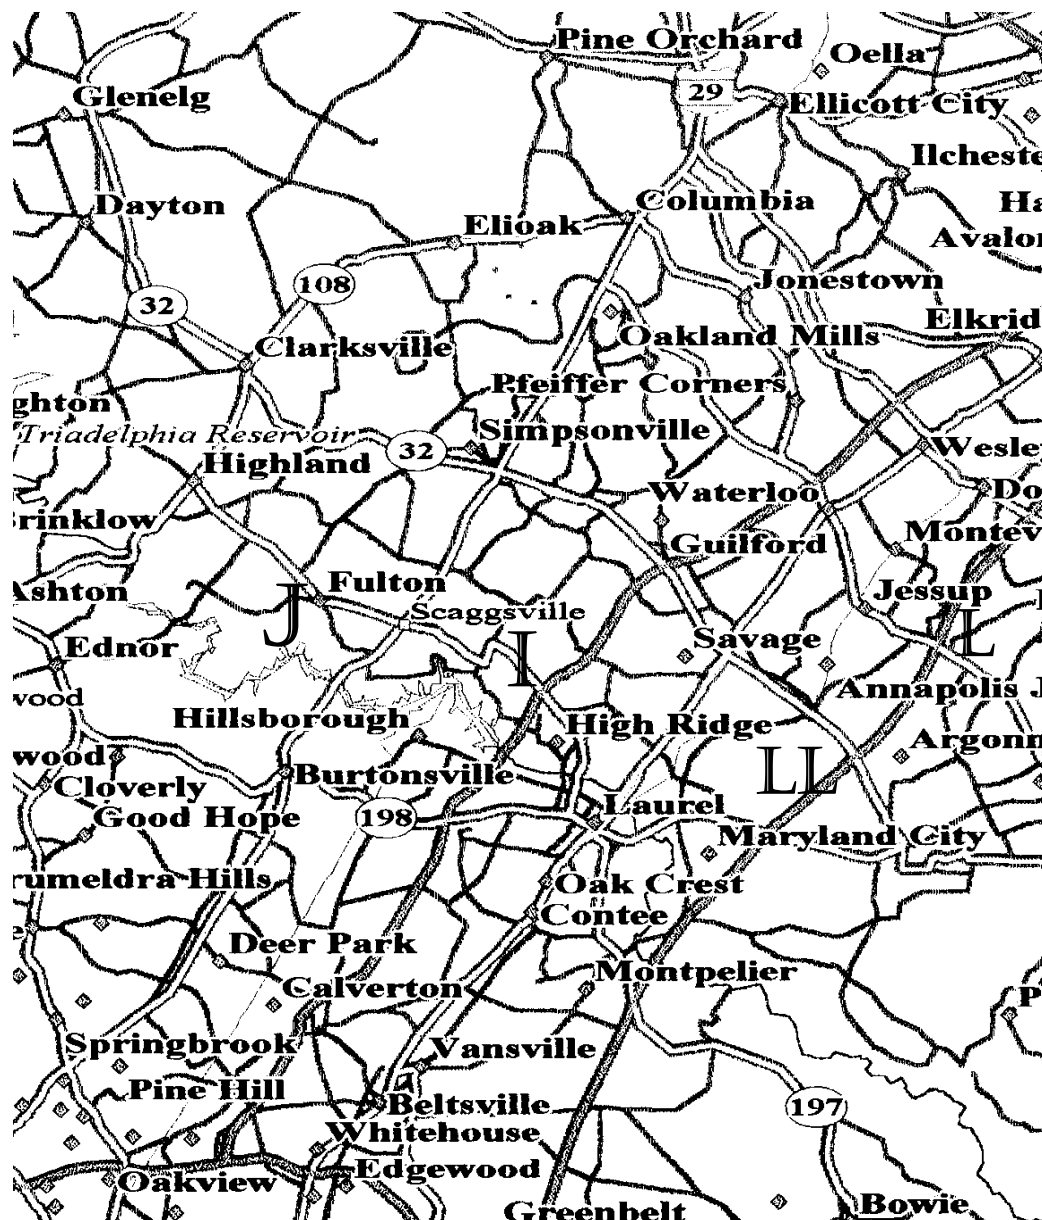

EMERSON. Located on the north side of Route 216 near its intersection with I-95, the project is being developed by the General Growth Properties. It includes residential uses and over one million square feet of commercial and employment space, with office development continuing on Stephens Road. (I)

MAPLE LAWN FARMS. A mixed use community using the traditional neighborhood design is underway for the area of Routes 216 and 29. It consists of a small town center, and 1,000,000 sq. ft. of office and commercial space, and various residential uses. (J)

ANNE ARUNDEL COUNTY

FORT MEADE. Portions of federally owned land have been turned over to private interests to construct high-tech office buildings on the perimeter of the base. BRAC employment increases added a substantial amount of office space on and off the base. Among the largest agencies is the Defense Information Systems Agency (DISA). Expansion of NSA facility is anticipated in to occur in the next 10-20 years. (L)

LAUREL PARK. This proposal near Brock Bridge Road will contain approx. 750,000 sq.ft. of retail space and a 350 room hotel. (LL)

AREA GROWTH AND DEVELOPMENT

NON-CITY RESIDENTIAL DEVELOPMENT

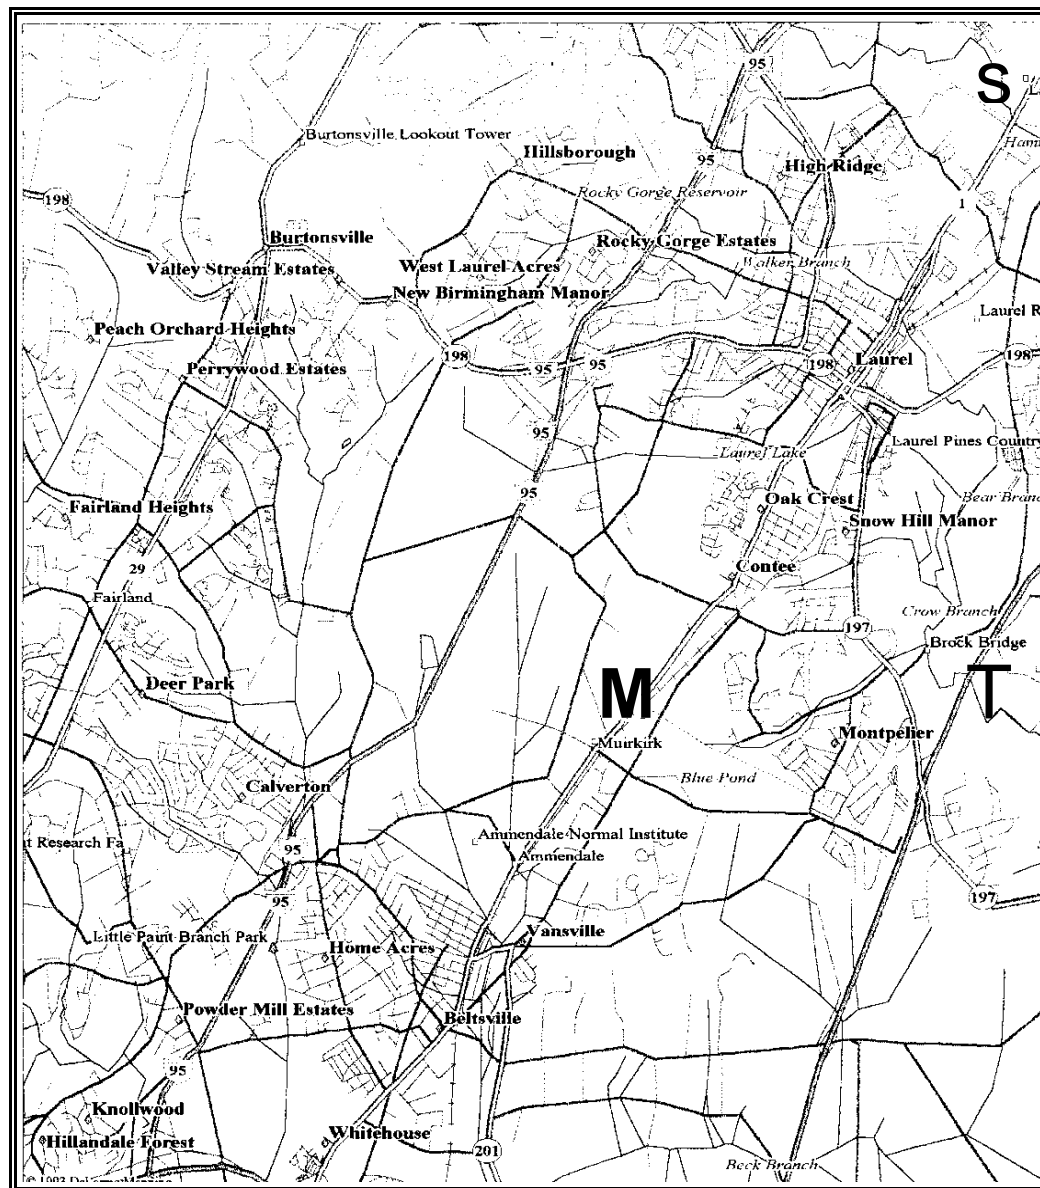

PRINCE GEORGE'S COUNTY

CENTRAL PARKE AT VICTORIA FALLS. A senior housing community situated on 100 acres south of Contee Road. Composed of 112 single-family detached homes, 249 single-family attached homes and 289 multi-family units. Additional mid-rise units are now under development. (M)

ANNE ARUNDEL COUNTY

SEVEN OAKS. A Planned Unit Development on 590 acres north of Route 175 at Route 32. It includes 3,500 units, which includes 309 single-family detached units, 2,191 single-family attached units and 1,000 multi-family homes. (S).

BROCK BRIDGE ROAD DEVELOPMENT. 1,000 workforce housing units are under construction southwest of Maryland City.

AREA GROWTH AND DEVELOPMENT

CITY RESIDENTIAL DEVELOPMENT

THE CRESCENTS. Laurel's first Neo-Traditional Community, consisting of 150 single-family and townhome units is located on the north side of Cherry Lane west of Van Dusen. (U)

COLONIAL ESTATES. A subdivision of detached single-family homes built on Lord Snowden Place adjacent to Plantation Drive located along the north side of Sandy Spring Road. (W)

HAWTHORNE PLACE. A large mixed use project. The residential portion will contain 1,006 units, both rental and condominium and office and retail space. Construction anticipated to begin in the spring of 2015. (Z)

PARK PLACE. A mixed-use development, adjacent to Seventh Street and Talbott Avenue, contains two residential condominiums/office/commercial buildings. An additional apartment building has been proposed. A convenience store was built on the site in 2012. (AA)

LAUREL MARC - TRANSIT ORIENTED DEVELOPMENT, 100 MAIN STREET. Located at Main Street and U.S. Route One Northbound, the development will consist of a multi-family building, with limited retail space. The building is planned in conjunction with the Maryland Department of Transportation. Construction is scheduled to begin in 2015. (BB)

350 MUNICIPAL SQUARE. A 142 unit apartment building with commercial space is under construction on the former City of Laurel Police Department property. Anticipated to be completed in 2015. (CC)

ANDERSON'S CORNER/AVALON (Rebera Development). A 462 unit Transit Oriented Development with park land. Located south of Contee Road and east of Van Dusen Road. Construction is scheduled to begin in 2015.

WEST SIDE/STRITTMATTER (Mill Creek Residential Trust). A 580 unit Transit Oriented Development. 200,000 sq. ft. of retail/office space, 80 townhouses and 500 multi-family units. Located north of Contee Road and east of I-95. Westside Boulevard construction began in 2014 to be completed in 2015. Multi-family construction is scheduled to begin in 2015.

LAUREL GARDENS (Laurel Gardens, Inc.) A 114 unit apartment redevelopment project. 80 existing apartments to be demolished replaced with 114 units and a park. Located on the north side of Philip Powers Drive. Construction began in 2014. Construction is scheduled to be completed in 2014.

D. LOCATION MAP**E. PROJECT DESCRIPTION AND JUSTIFICATION**

This project consists of updating a number of existing School buildings to meet current county, state and federal building codes Top priority will be given to the fire hydrant line extensions and the remaining funding will be used for other pending high-priority needs.

.All code requirements were met at the time the schools were built; however, codes have continued to be upgraded. New fire, health, safety and handicap codes require alterations to correct deficiencies noted in annual inspectins by the regulating agencies.

F. IMPACT ON LAUREL

.This project will serve to insure that area schools meet the health, safety and accessibility needs of the community.

E. PROJECT DESCRIPTION AND JUSTIFICATION

This project provides the necessary approval to design and construct projects which serve new development or are to be built in conjunction with new development to reinforce the existing system or to avoid future disruption to the area. Development Services Projects (DSP) to serve new development do not proceed unless the development has the appropriate service area and an approved preliminary plan of subdivision or a recorded plat.

Expenditures will continue indefinitely.

F. IMPACT ON LAUREL

Improved service in the entire district is anticipated.

D. LOCATION MAP**E. PROJECT DESCRIPTION AND JUSTIFICATION**

The DPW&T initiated operational programs to design and improve stormwater management systems and infrastructure (stormwater management ponds, major chanel, storm drain pipes and structures, and flood control facilities) throughout the County. This project supports projects required to be performed in accordance with federal and state mandates as identified in Countywide NPDES Permit..

The County's stormwater management infrastructure is aging and in some applications reaching structural life expectancy. These initiatives will assess the condition of the existing infrastructure, improve and restore functional operation and design intent, and enhance community participation with stormwater management (SWM) facilities. The systemwide assessment of the County's 460 SWM facilities determined the need for extensive and expensive repairs.

F. IMPACT ON LAUREL

This project will help improve the stormwater sytem flow in the City.

D. LOCATION MAP**E. PROJECT DESCRIPTION AND JUSTIFICATION**

A project to plan, design, and implement a series of streetscape, pedestrian, bicycle, and public green space improvements on public property.

Revitalization of Route 1 is a priority under the General Plan 2000. The purpose is to invest public funds in community enhancement projects that will spur revitalization by the private sector, promote economic development, improve public safety and enhance the quality of life in existing older neighborhoods.

F. IMPACT ON LAUREL

This project will connect with the Laurel section of the US Route 1 corridor and could help promote the civic goals described above.

D. LOCATION MAP**E. PROJECT DESCRIPTION AND JUSTIFICATION**

This project consists of a new Laurel Branch Library to be built on the existing site. The new facility will be 32,000 square feet with a large community meeting room and public service area.

The Laurel Branch Library is the busiest per square foot of all the County Library facilities. The current space is inadequate to meet community needs and the rapidly changing technologies inherent to library service. Expanded public areas are necessary to keep up with its growing service demands, especially in the children's area.

F. IMPACT ON LAUREL

This project will insure that future community library services meet the increasing demands while providing updated technology.

D. LOCATION MAP**E. PROJECT DESCRIPTION AND JUSTIFICATION**

A project to acquire, design and construct a 51 acre plus park and outdoor swimming pool lying northeast of North Laurel Road and Washington Avenue. Facilities are being determined by a citizens advisory committee. The master Plan has been finalized by the committee. Design is in progress. FY15 - Design pool. FY17 - Construction of outdoor swimming pool.

This project is identified in the 2005 Land Preservation, Recreation and Parks Plan, and is endorsed by the North Laurel Planning Committee and the North Laurel Civic Association.

F. IMPACT ON LAUREL

This parks accessibility to local residents will help reduce demand and associated wear and tear at City parks.

D. LOCATION MAP**COUNTY-WIDE****E. PROJECT DESCRIPTION AND JUSTIFICATION**

This project plans, designs, and installs the Countywide Advanced Transportation Management System (ATMS), which features multiple integrated subsystems that provide real-time transportation control, monitoring, and information capabilities. The ATMS is a fully integrated transit/traffic management system designed to better manage the County's transportation infrastructure.

The ATMS controls, monitors, and provides management support for County-maintained traffic signals, electronic lane use signs, reversible lane signal systems, vehicle detection systems, video surveillance systems, integration with the police/fire computer aided dispatch system, etc., and the testing and implementation of other advanced transportation-related technologies that will make the County's transportation system safer and more efficient.

F. IMPACT ON LAUREL

The ATMS is critical to public safety and well-being as the system directly impacts the movement of people and goods throughout Montgomery County's complex and expanding transportation system. This will benefit citizens who travel that portion of Montgomery County adjacent to Laurel.

E. PROJECT DESCRIPTION AND JUSTIFICATION

This program consists of flood protection and drainage relief projects. Eligible projects will correct/relieve home flooding, alleviate road flooding and correct residential yard drainage deficiencies. Also included are municipal participation, storm drain acceptance projects, levee renovation, levee recertification, and flood warning systems. When possible, water quality enhancement will be incorporated. Right-of-ways from property owners directly benefiting from project improvements must be obtained at no cost to the County.

This program will provide a "find it-fix it" capability for projects to correct deficiencies which cannot be corrected through the County Department of Public Works and Transportation's Maintenance Program.

F. IMPACT ON LAUREL

This program could possibly provide funding for correction of various property flooding problems within the City.

A. PROJECT IDENTIFICATION

PROJECT NAME: Environmental Protection

TOTAL	6,380.0	3,730.0	2,450.0	200.0	0.0	0.0	0.0	0.0

D. LOCATION MAP**E. PROJECT DESCRIPTION AND JUSTIFICATION**

This program represents a comprehensive effort to build new or retrofit existing storm water management facilities and rehabilitate streams and wetlands to correct serious water quality problems such as erosion, point and non-point source pollutant discharge and thermal pollution.

This project will implement a series of innovative projects at multiple sites inventoried in various comprehensive watershed studies or identified in the County's Regulatory Wetland Banking Program. Indirect community recreation benefits accrue through these projects in the shape of parks and open space restoration. The program will be actively supported by Federal and State grants. "Other" funds represent the State Revolving Loan Program (\$2,230,000) and Ad Valorem tax contributions (\$131,000)

F. IMPACT ON LAUREL

This project will serve to improve the quality of the environment in and around Laurel.

D. LOCATION MAP**E. PROJECT DESCRIPTION AND JUSTIFICATION**

This on-going program by the Department of Public Works and Transportation (DPW&T) will redesign, reconstruct and rehabilitate major drainage and flood control projects throughout the County.

Countywide stormwater conveyance and flood control facilities constructed prior to 1975 require modification or reconstruction to correct structural deficiencies, improve flow capacity, alleviate environmental impacts and improve overall safety.

F. IMPACT ON LAUREL

This project may, under certain circumstances, aid in funding storm water management projects within the City.

D. LOCATION MAP**E. PROJECT DESCRIPTION AND JUSTIFICATION**

Fairland Regional Park is a bi-county park which will ultimately contain 425 acres. There are 152 acres in the Prince George's County portion. Existing development includes ball fields, parking access road, ball field lighting, a tennis bubble, a gymnastic center, and batting cages. Proposed development will provide road and parking renovations, new pool lights and irrigation.

F. IMPACT ON LAUREL

This is the only regional park serving the northern area of the County. This regional park should alleviate demand on City parks.

E. PROJECT DESCRIPTION AND JUSTIFICATION

This project will include the reconstruction of Contee Road from US Route 1 to the proposed Kenilworth Avenue extended (MD 201/SHA project), and the construction of new Contee Road from west of the proposed I-95 interchange (SHA project) to Old Gunpowder Road.

This improvement is needed to serve planned development in the area.

F. IMPACT ON LAUREL

This project will help improve traffic flow on Contee Road between U.S. Route 1 and Van Dusen Road. It also provides a more accessible alternate emergency vehicle route to the Laurel Regional Hospital from US 1.

D. LOCATION MAP**E. PROJECT DESCRIPTION AND JUSTIFICATION**

This project provides funding for a new, 2-bay Fire/EMS station in the vicinity of Old Gunpowder Road and Van Dusen Road, which will house an engine and an ambulance. The station will include a station alerting system designed to reduce response times.

Development in the Southern Laurel area of the County will generate more demand for service. The additional fire and emergency medical services will be needed to maintain fire and EMS service. The new station, which is consistent with the Approved (March 2008) Facilities Master Plan (MNCPPC), and is listed as a Intermediate Priority.

F. IMPACT ON LAUREL

This facility will serve the Greater Laurel Community.

D. LOCATION MAP**E. PROJECT DESCRIPTION AND JUSTIFICATION**

This project provides for the replacement of an outdated rescue services facility. The initial phase of the project is to locate an appropriate site for the new facility. Two Rescue Squad trucks, four ambulances, a Medic Unit and several rescue boats are housed at this facility.

The current rescue squad facility is inadequate in size and maneuverable space to meet current service requirements. Although the existing facility has been temporarily modified, it only provides limited functional capabilities.

F. IMPACT ON LAUREL

This facility will serve the Greater Laurel Community.

This project provides for completion and closure of the second half of the 850 acre site including construction of cells and other waste handling facilities, paved access roads and the extension of water mains, sewer lines. Also included are improved storm drainage and rain caps, landfill liner, and leachate collection systems. Other project elements include the expansion and improvement of the landfill gas system. This project also includes renovating the existing landfill Security Building. Funding for environmental assessments, mitigation efforts are also included here. "Other funding comes from net operating cash balances from Solid Waste Management Enterprise Fund."

Post closure of the landfill operations includes the obligation of ensuring site safety and security, which will be housed in a renovated building. This project implements the County's Ten-Year solid Waste Management Enterprise Plan.

F. IMPACT ON LAUREL

This facility will serve the City's future waste collection and disposal needs.

D. LOCATION MAP**E. PROJECT DESCRIPTION AND JUSTIFICATION**

This project provides for the closure of the Sandy Hill Landfill along with funds needed for interim extensions. Also included is funding required for the construction of facilities needed for the operation of the landfill and its post closure care. These may include leachate storage tank and treatment facilities, ground and surface water controls, gas management and utilization facilities and capping expenses including fill material. Also included are funds for the completion of payments for tasks associated with the design and permitting of the Sandy Hill Landfill project.

This project is included in the County's Ten Year Solid Waste Management Plan as proposed by the County Executive and approved by the County Council. Other funding will come from the landfill closure reserve and the Sandy Hill Environmental Trust Fund.

F. IMPACT ON LAUREL

This project will serve to protect the environment from the hazards associated with landfill closures.

Contract #AT3765D60

E. PROJECT DESCRIPTION AND JUSTIFICATION

Construct a new East-West multi-modal highway in Montgomery and Prince George's counties between I-270 and I-95/US 1.

This transportation project is needed to increase community mobility and safety; to support development and local land-use plans; to improve access between economic growth centers.

ASSOCIATED IMPROVEMENTS:

I-95/Contee Road Interchange
MD28/MD 198, MD 97 to I-95
MD 201 Ext/US 1, I-95/495 to N. of Muirkirk Road.

Construction underway. The section from I-270 to I-95 is open to Service.

F. IMPACT ON LAUREL

This project would increase community mobility and safety.

This project provides the necessary approval to design and construct projects which serve new development or are to be built in conjunction with new development to reinforce the existing system or to avoid future disruption to the area. Development Services Projects (DSP) to serve new development do not proceed unless the development has the appropriate service area and an approved preliminary plan of subdivision or a recorded plat.

Expenditures will continue indefinitely.

F. IMPACT ON LAUREL

Improved service in the entire sanitary district is anticipated.

FY 2016	ADOPTED CAPITAL IMPROVEMENT PROGRAM
---------	---

E - FISCAL PROFILE

FISCAL PROFILE

FINANCIAL TABLES

The following four tables depict fiscal relationships that affect the Capital Improvements Program. The main factors that comprise these relationships are property tax revenues and assessments, debt amortization (repayment) costs, and bond sales. To best illustrate how these factors interrelate, assume that the City of Laurel was newly incorporated with no tax rate and no capital facilities. In time, the Mayor and City Council recognize the need for police and other services, and they have the real property assessed and levy a tax. They use the resulting tax revenue to pay for the services. Further in time, the Mayor and City Council recognize the need for street improvements and other major capital expenditures. The City issues bonds to pay for these major expenditures. Before the City issues these bonds, it must carefully review how the bond sale will affect its financial position.

The questions the City must answer are:

1. DEBT LIMITATION - How much debt can the City issue? (Table I)
2. DEBT AMORTIZATION - What debt payments on current debt will be required in the future? (Table II)
3. DEBT LEEWAY - What additional debt can be incurred? (Table III)
4. DEBT TAX ALLOCATION - How much property tax revenue will have to be pledged toward the debt repayment costs? (Table IV)

These are not easy questions to answer because they will influence the financial condition of the City for decades. These tables are intended to show the future impact so that more informed decisions can be made.

CURRENT FISCAL STATUS

The City has maintained a sound fiscal status with growth from new development and reassessments, operational changes in City government, augmented by improved cash management and investment practices.

FUTURE FISCAL STATUS

Laurel's future fiscal status will continue to be most strongly influenced by the growth of its tax base through ongoing development, redevelopment and reassessments.

Intergovernmental revenues from the State of Maryland are still uncertain. The City continues to explore additional revenue opportunities. FY2016 is the second year of the most current triennial assessment period. Assessments have increased since FY2014 due to redevelopment. No assumptions are made for any additional increases due to the uncertainty of the overall economic conditions. The factor by which assessments are calculated is one hundred percent (100%) of market value.

PROJECT FUNDING AND FY2016 FISCAL IMPACT

Funding for the FY2012 CIP with the State of Maryland, Department of Housing and Community Development's Local Government Infrastructure Financing Program was completed in May 2012. Those projects are still in progress. In December 2015, during the renewal process for the two PNC bank loans, principal and terms are proposed to be amended to provide funding for certain CIP projects without adding debt service to the operating budget.

The impact on the FY2016 Operating Budget for debt service is shown on Tables II and IV, Pages E-3 and E-5. This impact is reflected in debt service expenditures for principal and interest payments from the operating budget. Additionally, it will be necessary to utilize a portion of designated reserve accounts as well as speed camera net revenue to complete certain projects.

TABLE I

PROJECTED ASSESSED VALUATION, DEBT LIMITATION AND PROPERTY TAX REVENUES

FISCAL YEAR	ASSESSED VALUATION	DEBT LIMITATION	TAX RATE	PROPERTY TAX REVENUES
2016	\$2,544,427,465	50,888,550	\$0.71	17,649,609
2017	\$2,544,427,465	50,888,550	\$0.71	17,649,609
2018	\$2,544,427,465	50,888,550	\$0.71	17,649,609
2019	\$2,544,427,465	50,888,550	\$0.71	17,649,609
2020	\$2,544,427,465	50,888,550	\$0.71	17,649,609
2021	\$2,544,427,465	50,888,550	\$0.71	17,649,609

TABLE I shows a very conservative projection of the assessed valuation of real property within the City limits. It depicts the real property tax revenues to be derived from the estimated assessed valuations.

The City's debt limitation is 2% of the assessed valuation based on an assessment of 100% of full value.

TABLES II and III, on the following page, depict the City's current debt and the debt amortization costs.

NOTES:

1. Assessed valuation and tax revenues are based on real property only. Information is based on a report provided by the State Department of Assessments and Taxation in March 2015. An increase is projected for FY2016 based on current construction projects of the Towne Centre at Laurel and the C Street Flats (redevelopment of 350 Municipal Square).
2. Further information to be considered in future years is the Laurel MARC Transit Oriented Development (TOD) Project which includes 310 residential units and approximately 1,400 square feet of retail space. Estimates remain conservative until those projects move forward as well as the Anderson's Corner and Westside projects.

**TABLE II
DEBT AMORTIZATION COSTS**

INDEBTEDNESS	FISCAL YEAR							TOTAL DEBT AMORTIZATION OUTSTANDING
	2016	2017	2018	2019	2020	2021	BEYOND 2021

LVFD NOTE PAYABLE	43,043	43,043	28,692	0	0	0	0	114,778
PROPOSED ANNUAL DEBT SERVICE	1,609,449	1,504,467	1,493,423	1,466,307	1,466,698	1,466,943	3,041,804	12,049,091

*It is expected that a consolidation of these loans and additional principal with a longer term will be structured in a manner that will not add to current debt service. Five additional years of debt service is displayed.

**TABLE III
DEBT AND DEBT LIMITATION ANALYSIS**

Table III displays the effect of the existing indebtedness on the City's debt limitation and resulting debt leeway.

NOTES:

1. Borrowing power is limited to 2% of assessed valuation of real property only.
2. Existing debt balance computed using fully amortized debt.
3. Page E-3 grand total used for FY16 Existing Debt, then subtract each year's annual debt service from Page E-3 to arrive at yearly Existing Debt.

**TABLE IV
REVENUE COST STATEMENT**

YEAR	2016	2017	2018	2019	2020	2021
REAL PROPERTY TAX REVENUE	\$17.65	\$17.65	\$17.65	\$17.65	\$17.65	\$17.65
PERSONAL PROPERTY TAX	\$1.29	\$1.50	\$1.50	\$1.50	\$1.50	\$1.50
TOTAL PROPERTY TAX REVENUE	\$18.94	\$19.15	\$19.15	\$19.15	\$19.15	\$19.15
DEBT AMORTIZATION	\$1.61	\$1.61	\$1.50	\$1.49	\$1.47	\$1.47
CENTS TO DEBT AMORTIZATION	\$0.063	\$0.063	\$0.058	\$0.058	\$0.057	\$0.057
1c TOTAL TAX RATE GENERATES	\$256,225	\$257,467	\$257,467	\$257,467	\$257,467	\$257,467

Table IV depicts debt amortization costs compared to real and personal property tax revenues. The graph assumes a constant real estate tax rate of \$0.71 and a personal property tax rate of \$1.69. Increases to the assessable base due to redevelopment are difficult to assume as it will depend on the rate of completion of the projects. The assumption for growth in personal property tax is due to the addition of new businesses as well as FY2014 actual billing and collections. If calculated upon the estimated total real and personal property tax revenues, the proposed amortized debt for FY2016 - 2021 would represent cents out of the tax rate as shown in the row of "CENTS TO DEBT AMORTIZATION."

D: Project Description and Justification:

This project provides for a multi-year survey of City facilities (i.e. alleys, buildings, etc.) to establish property lines, rights-of-way and to set monuments. A determination of ownership is required for an accurate inventory of the City's infrastructure.

Budget constraints pushed the start of this work to FY2006 with funding covering surveys of Alley #1, between Fourth and Fifth Streets, Alleys #9 and #10 off of Montgomery Street, Alley #14 off of Alley #1 north of Laurel Avenue and Alley #15 between Seventh and Eighth Streets south of Montgomery Street. The ownership information and defined property lines will aid the Department in addressing the GASB 34 conditions regarding infrastructure assessment issues.

Several years of funding that had been carried forward were consolidated in FY2007 to get this project started. DPW will continue with smaller phases for the next several years.

FY2015: Stephen Turney Sports Complex and surrounding area.

D: Project Description and Justification:

This project provides for funds to enhance the City's economic development efforts in the areas of business recruitment and retention, including promotional brochure development, consultant services, marketing and web site development.

FY2013-FY2019. As part of the Urban Redevelopment Plan, funds are designated for potential property acquisition and redevelopment in the Laurel Historic District area. Projects include an amphitheater at B Street. Funding will include Legacy Grants as well as other County, State and Federal funding.

D: Project Description and Justification:

Prince George's County provides the City with Inspection reports for the Bridges in the Laurel Area. This is the first of two projects designated to provide necessary repairs to bridges the City is responsible for maintaining. Additional bridges are in need of repair. Dorset Road over Tributary to Patuxent, Fifth Street over Tributary to Patuxent and Eighth Street bridge. Although there is work to be done, there are no structural concerns and the bridges are safe. The work is primarily maintenance related. On-going Bridge Maintenance is necessary to address minor repairs to City Bridges to reduce the possibility of these problems becoming larger problems affecting the convenience and safety of the motoring public.

FY2014: Funding is requested for necessary bridge repairs as indicated by P.G. County inspectors.

FY2016: Funding is for building a pedestrian bridge linking Race Road to the Laurel Race Track. Funding is anticipated from the Federal Government.

D: Project Description and Justification:

This project provides for the new installations and system upgrades to traffic signals City wide to include upgrading City traffic signals with LED technology and battery backups.

FY2012- FY2013 - Upgrade the detectors from buried loops to pole-mounted cameras; bring all traffic signals into ADA compliance with regard to pedestrian signals (count-down signals and audible pedestrian signals).

FY2014 - FY2020 funding designated for upgrades to each signal owned by the City with pedestrian countdown crossing and install video detection camera systems and new cabinets/controls.

D: Project Description and Justification:

The Major Facility Maintenance program, for the purpose of this document, is defined as those items which, over time, require replacement or servicing due to normal use. These are considered major expenditures which are not easily addressed in the General Operating Budget. This program allows for the flexibility of providing for similar capital expenditures of an emergency nature.

Facility renovations are defined as the process of refurbishing or making an existing area or facility restored to like new conditions. These projects will provide for historically correct appearance with improved safety conditions and more efficient operations. These projects are costly by nature and are not addressed in the operating budget and therefore will be shown separately from the Major Facility Maintenance Program.

Please see pages two and three of this project sheet for detailed schedules of major maintenance planned for City facilities.

D: Project Description and Justification:

FY2015: Funding provided to purchase 3 JVC cameras, studio viewfinders, back of camera interfaces, and controls systems. This replacement equipment will last at least five years, and will provide the functionality Laurel TV needs as we move toward an HD upgrade.

FY2016: Phase I -- Funding provided for upgrading the Laurel TV current playback system to HD-ready equipment, allowing the Laurel TV to deliver content to the viewers in HD format. Phase II -- Funding provided for studio upgrades (lighting, set monitors for graphics and IFB system for the News Anchors.

D: Project Description and Justification:

Project is currently being pursued with cooperation of Maryland Historic Trust as they have a preservation easement on the Armory.

Project will include roof repairs, window renovations, bathroom expansion and renovations to improve recreation activities.

FY 2011 With legislative action from the state, \$205K was moved from Riverfront Park Improvements (Dam Ruins) to this project
Additionally \$275K in GOB matching funds was moved with Ordinance 1693.

FY 2012: Funding designated for renovations to the garage and repaving garage lot for use as a public parking area for Anderson-Murphy Community Center programs and events. Additional funds were used to renovate one window to use as a template for future window renovations.

FY 2014-FY2015: Funding designated for window renovations.

FY 2016-FY2017: Funding to be used for further renovation of this facility.

D: Project Description and Justification:

FY2015 funding is designated for the extension of Riverfront Park eastward from U.S. Route 1 along the Patuxent River to Route 198. Within this new section of the park, a trail system is proposed to link the existing trail to the Train Station and the Laurel Golf and Recreation Center site. Property acquisition and annexation will be necessary in order to accomplish this goal. It is anticipated that the property acquisition can be totally funded through State grant monies under project PR1-001, Parkland Acquisitions.

D: Project Description and Justification:

This project provides for evaluation of City roadways and a prioritized analysis of future roadway improvement projects. This evaluation is anticipated to occur on a 5-year cycle. The current estimated cycle is 10-years. This will increase the miles of roadways that need to be evaluated in the next phase. The FY2014 Phase will provide analysis of 53 lane miles of roadway. The evaluation will include core samples, testing and an engineering analysis.

This 5-year cycle was completed in the Winter of 2015.

D: Project Description and Justification:

This project is intended to provide photometric mapping and asset inventory in support of the City's proposed GIS system and is needed in order to comply with "GASB 34". This effort will provide a valuable data base for the City's planning and maintenance activities. The current base map was compiled in 1991, and does not include any features constructed after that time. This project is on-going and will be done in several phases:

D: Project Description and Justification:

This project provides for specific alley improvements within the City on a prioritized basis. Minor alley improvements are accomplished by the DPW when needed. Major alley improvements are scheduled only when there is 100% of all owners of property abutting the alley in agreement with the proposed major improvement.

FY2012: Funding is proposed for improvements to Fetty Alley and Tolson Alley. Alleys to be completed by Spring 2013.

D: Project Description and Justification:

This project provides for the installation of concrete curb and gutter on roadways that have no curb and gutter, or if existing curb and gutter has deteriorated to a point requiring replacement. Combination curb and gutter plays a vital role in the structure of a street. It provides both road edge stabilization and drainage functions that significantly enhance the useful life of the pavement structure. Funding provides for continuous maintenance and placement where curb does not currently exist.

A survey of curb conditions was begun in 1987 and has been updated regularly since 1989. Past funding for this project has replaced thousands of linear feet of curb and gutter City-wide. This project also includes the upgrading of existing handicap ramps to meet new ADA requirements. The requested funding will continue the replacement of aging curb and gutter and extend the program into areas where curbs do not exist. This is an annual program usually done in conjunction with sidewalk repair/replacement. Cost estimates have had to be adjusted upward to more closely match bid prices.

D: Project Description and Justification:

FY2012: This phase of the project is to provide for select full depth base asphalt repairs, sidewalks, curb & gutter, milling and a 2" asphalt overlay, for the area between Fourth Street and Cherry Lane. The priority for this street improvement was based on non-destructive testing done in 2006 on numerous City streets. Construction to be completed in Spring of 2013.

FY2016: This phase of the project is to provide for select full depth base asphalt repairs, sidewalks, curb & gutter, milling and a 2" asphalt overlay, for the area from Cherry Lane to the terminus of Ashford Boulevard. The priority for this street improvement was based on non-destructive testing done in 2006 on numerous City streets.

D: Project Description and Justification:

FY2014 through FY2021: Per City of Laurel Bikeway Master Plan, funding is for construction of bike lanes, hiker/biker trails, bike racks, path lighting, bike pavement markings, roadway striping and bikeway street signage.

FY2015: Design/construction for a hiker/biker trail from Killbarron to Contee Road. Design nearing completion with contract to be sent out to bid in the Spring of 2015. Funding for this project is a combination of GOB expenditures and a grant awarded by the State of Maryland in the amount of \$200,000.

D: Project Description and Justification:

FY2012 - FY2015: Funding for this project provides for the construction of a hiker/biker underpass to ensure pedestrian safety between the east and west side of the CSX railroad tracks. The \$180K is a matching grant for the CDBG project which will include sidewalk, curb & gutter and overlay and a signal at Lafayette & Bowie Road. This project was completed in the Winter of 2015. Additional work will continue on Bowie Road in the Summer of 2015. This phase of the project will include adding sidewalks from the underpass to Route 1 North bound.

D: Project Description and Justification:

FY2013: This phase of the project is to provide for the design and engineering for the entire street, also select full depth base asphalt repairs, sidewalks, curb & gutter, milling and a 2" asphalt overlay, for Dorset Road from Woodbine Drive to Brooklyn Bridge Road. Completed in the Fall of 2012.

FY2015: This phase of the project includes that portion of Dorset Road from Sandy Spring Road north to the vicinity of the Brookmill pool house where it abuts City right-of-way. This phase of the project is to provide for select full depth base asphalt repairs, sidewalks, curb & gutter, milling and a 2" asphalt overlay, along with a new storm drain culvert for Dorset Road from Old Sandy Spring Road to Woodbine Drive. The culvert was completed in the Winter of 2015. The roadwork is anticipated to be completed in Fall 2015.

D: Project Description and Justification:

The FY04 Phase provided a feasibility study for the Police Department Facility that included a very detailed breakdown of all estimated costs (75 pages). The Study recommended a 28,336 SF facility based on ideal functional relationships, accreditation requirements, and a few nice to have features. Initial budget estimates were based on a 25,000 SF facility to be built on the existing site. The final approved plan includes renovation of the 35,000 SF facility that the City purchased at 811 Fifth Street.

Most of the engineering and design work was funded in FY2008 with the remainder funded in FY2009 along with construction. Inspection and IT were funded in FY2010.

The new facility, the Barkman Kaiser Public Safety Complex, opened in May 2010. Construction to convert the old sanctuary into a Community Room was completed in the summer of 2011.

In FY2013 the City received a federal grant for hazard mitigation flood proofing. The flood proofing project will be completed in Summer 2014.

D: Project Description and Justification:

FY2011: The City purchased the property at 7703 and 7705 Sandy Spring Road, to serve as the Parks & Recreation Maintenance Facility. Completion of construction is expected in the Spring of 2011.

FY2012: Funding designated for continued renovations to the new Parks & Recreation Maintenance Facility.

FY2013: Upgrades to the water service, a fire sprinkler system and a storage facility were completed.

D: Project Description and Justification:

This is a State project providing for the revitalization of Rt. 1 from the Patuxent River to Contee Road through the City. The State funded preliminary design for the four phases of the project and construction funds for two phases. The total project cost is expected to be approximately \$8 - \$9 million. The City was required to participate financially in phases two and three. This included covering the extra cost of the traditional lamppost street lighting.

Phase One, Two and Three are complete. Safety Improvements are also included in this project. The Fourth Phase will be from Oak Street to Contee Road, which is outside of the City limits and no funds will be contributed by the City.

FY2013-FY2014: Improvements at the intersection of Laurel Towne Center and Route 1. These improvements include making upgrades to the intersection to make it safe for pedestrian and vehicular passage. This project is funded by the Laurel Towne Center Mall developer and BRAC. Total cost of the project is estimated to be \$3 million. Install handicap ramps and pedestrian crossing markings at Walgreens intersection of 198 and Route 1. The City's portion of the project is \$32K.

D: Project Description and Justification:

FY2005-2007: Funding was designated for renovations to the pool complex. The project included exterior painting, locker room and concession upgrades, white coating the baby pool, improvements to the filter room, leak detection and repairs to the diving pool, deck repairs, and site improvements to the interior grounds to include a new slide and diving board. The project was completed during the summer of 2005.

FY2017 and BEYOND 6 YEARS future expenditures will be to evaluate the need for a new facility and to designate funding for a new facility. An evaluation will include the possibility of rebuilding on the existing site or exploring a new site. Future construction must consider floodplain restrictions if built in this flood plain zone.

D: Project Description and Justification:

FY2014: Funding is designated for construction of a skate park. The skate park will be completed in the Summer of 2014.

FY2017: Funding is designated for two projects. Construction of an asphalt path connection from Dorset Road to Roland B. Sweitzer Community Park and replacement of the stage at Alice B. McCullough Field. POS funding will continue to be pursued, however, smaller funding allotments are to be expected due to State funding reductions.

FY2018: Funding to replace loose playground mulch with bonded rubber surface.

D: Project Description and Justification:

FY2006: The development of the Master Plan will dictate the final use for this site. A plan being considered is to provide engineering and construction for a multi-purpose athletic field. For future planning purposes, the site known as "Living Aluminum" will be incorporated into Alice B. McCullough Field.

FY2008: Funding provided for plans and specifications for athletic field expansion, parking, lighting and multi-purpose court needs as determined from the Master Plan.

Construction completed in summer 2008.

FY2016: This project includes a feasibility study on future improvements to Alice B. McCullough Field. Improvements may include the redesign and location of current park features as well as the possible addition of drainage improvements, field lighting, turf field installation, and parking upgrades. A task force may be appointed by the Mayor to provide information on current trends in parks and recreation facilities as well as soliciting public input. Funding to be determined.

D: Project Description and Justification:

The purpose of this project is to explore the feasibility of the City of Laurel taking responsibility for storm water management within the corporate boundaries. The study will identify what changes in legislation may be required, identify appropriate staffing levels, identify coordination requirements, and what costs the City will incur to provide this service.

D. Project Description and Justification:											
<p>Main Street provides a major entrance point to the City from Howard County and a major commercial corridor in the City. Main Street was reconstructed from First Street to Sixth Street in 1980 (costs for this work are not reflected above). The 600 block was reconstructed in the spring of 1993. With improvements at the MARC Station, Main Street Improvements also began in the 100 block which included milling, overlay and new brick sidewalks.</p> <p>The FY2005 and FY2006 Phases of this project provided select curb & gutter removal and replacement, replacement of brick paved sidewalks, base asphalt repairs, and a 2" asphalt overlay from Route 1 northbound to Seventh Street. Also included and completed was procurement and installation of new refuse receptacles and benches funded by a Prince George's County Livable Communities' Grant. This work will be complete by January 2006. A Legacy Grant provided \$107,000 for street lighting in the 200 and 300 blocks. Additional Grant funds were approved to continue these street lamps through the 500 block. FY2007 funding was approved to complete the street lighting to Seventh Street plus some additional tree/landscape enhancements. Installation of new street lampposts was completed in December 2007 and the additional lights Laurel Museum was completed in 2008.</p> <p>FY2018: Funding is provided for select curb & gutter removal and replacement, replacement of brick paved sidewalks, base asphalt repairs, and a 2" asphalt overlay from Race Road to termination west of Ninth Street.</p>

D: Project Description and Justification:

FY2013 - FY2018: This project is based on City streets that presently only have sidewalks on one side of the street. This project will entail numerous locations and 309,760 sq ft. of sidewalk and 76,880 linear ft. of curb and gutter installation. Funding provides for continuous maintenance and placement where sidewalk and/or curb and gutter does not currently exist, i.e., Seventh Street from Main Street to Talbott Avenue, Van Dusen Road from Killbarron to Contee Road.

D: Project Description and Justification:

FY2017: This phase of the project is to provide for select full depth base asphalt repairs, sidewalks, curb & gutter, milling and a 2" asphalt overlay, for Ninth Street between West Street and Casula Point. The priority for this street improvement was based on non-destructive testing done on numerous City streets.

D: Project Description and Justification:

The existing Public Works Facility is situated on 2.5 acres of land. The new facility was completed in November 2003. \$893.3 Undesignated Reserve.

FY2014: This phase provides for the completion of the parking lot improvements.

FY2017: This phase provides for the design and construction of separate storage areas. The storage areas will allow for construction materials (stone, sand, cold mix, mulch, etc.) to be stored without cross-contamination.

D: Project Description and Justification:

This project provided for a watershed study of the Bear Branch and Crow's Branch tributaries and the Patuxent River watershed, between the Rocky Gorge Dam and the Patuxent Wildlife Research Center in Prince George's County. This study identified existing and potential future flood conditions and how physical, institutional and legal alternatives can be used to address the problems, and to evaluate alternative management techniques within the watershed. The information generated can be used by Prince George's County, WSSC, the Maryland Department of Natural Resources and the City of Laurel in the development of a Flood Management Plan.

This project was funded through the Maryland Department of Natural Resources. Detailed mapping of the wetlands was eliminated from this project. The wetlands will be identified, but the mapping will be cursory only. A possible future phase of this project is to identify possible flood mitigation projects and a watershed management plan. Additional funding was provided in FY1996. The State increased the funding by an additional \$206,952 (Amendment 6) and an additional \$22,916 (Amendment 7) in order to complete this project. A final submittal to FEMA for map amendments occurred in spring of 2001 and letters from the Mayor were distributed to all affected property owners. The City has made multiple inquires to FEMA about the status of this study that appears to be on hold pending additional Physical Map Revisions. Project is being retained pending final disposition of Study and any future action to complete the Physical Map Revisions.
