TEACHING FIDO BASIC MANNERS

Main Street Pool Meeting Room

Teaching your dog should be a fun and positive experience for both you and your dog. This 7-week class is designed to teach the basic cues (sit, down, stay and come) and then apply those cues to "life skills" such as meet & greet while leashed, wait at the door, settle on a mat, loose-leash walking, give it/take it, & leave it. Classes have no more than 5 dogs, so you feel as if you are receiving "one-on-one" training.

Prerequisites: The class is for dogs 5 months and older. All dogs must be people and dog-friendly and up to date on their vaccinations to attend class. Veterinarian records will be required before class start date.

PRICES & DATES TBA

So, whether your child is getting in trouble in school or at home, or is simply struggling to cope with life, Laurel Helping Hands can help you get a handle on the situation. We equip parents with the necessary skills to meet the developmental and mental health needs of their children, so that youth can maximize their potential at home, in school and in the community.

And if you need help to navigate the challenges of adult life or to successfully live with mental illness, our counselors work with adults to address various issues. Our goal is to help you and your family to live your best life possible.

We Provide

INDIVIDUAL & FAMILY COUNSELING

Our counselors work with children, teens, adults, and families on a wide variety of issues e.g., parenting, family conflict, divorce/separation, relationship difficulties, anger management, anxiety, depression, grief and loss, personal growth etc.

GROUP COUNSELING – Our counseling and psycho-educational groups teach skills like impulse-control, anger management and communication.

CRISIS INTERVENTION –

Sudden changes e.g., sudden death, can cause us to feel lost, even suicidal, and make it difficult for us to function in our lives. Our counselors can work with you to develop a short-term plan, and connect you with resources so you can get your life back on track.

SUBSTANCE USE ASSESSMENT –

This program is a partnership with PGCPs to provide an alternative to expulsion for students who are in violation of school drug policy. LAUREL TV

TURN YOUR POWER ON

**Do you have a program idea or an interest
in learning more about the broadcast industry?**

The City of Laurel has a local Public Access Channel, Laurel TV, airing on Verizon FiOS and Comcast. Its purpose is to keep residents, business owners and visitors informed about all things Laurel. The station relies heavily on Volunteers in the community to shoot and edit stories on local events.

Laurel TV offers training in photography and editing and has television equipment the community can borrow to shoot their own programs once they have gone through the proper training. Laurel TV also airs all government meetings. Community event notices are broadcast on the station's bulletin board, in English and now in Spanish too.
