## **GUIDE TO RESIDENTIAL INSPECTION REQUIREMENTS**

**Please note:** All inspections listed below are “typical”. Additional inspections may be required depending on the type or extent of the project you are doing. It is suggested that you call the Department of the Fire Marshal & Permit Services (FMPS) Chief Building Official at 301-725-5300 who will assist you with identifying any other inspections that might be required for your project. Further, the Washington Suburban Sanitary Commission (WSSC) inspections listed below are “typical”. A complete list of WSSC required permits and inspections must be obtained from WSSC.
